SPECIAL NOTICE.

THE TADIES.—Do you really intend to cease wearing the beautiful styles now so prevalent, or dress less elegantly, because the rebel Joseph Boyens, was captured in Fashionable Female attire? One moment's calm reflection will surely serve to change our rash resolve. The angels had too much good sens to lay aside their pure chaste robes of white, because they had for a time served to hide the deformities of that Prince of Rebels, the Devil. Can you err in following the example of Angels? Then having made up your minds that you will continue to dress tastefully regardless of ebel acts, do not forget to call at the slore of the subscr bors, who will be happy at all times to furnish you with such articles of dress as you may desire. Urgo your fath, ers, husbands, brothers, neighbors and children to visit the same store. They can here be suited in good articles of Roots, Shoes, Clothing Material, Hats, Caps, Queens-ware and a general assortment of Groceries, on as reapuble terms as at any House in town. JOHN FAREIRA'S OLD ESTABLISHED Fur Manufactory 718 ARCH Street, above Seventh, PHILADELPHIA.

REF 1 HAVE NO PARTNER, NOR CONNECT WITH ANY OTHER STORE IN PHILADELPHIA. W. Bradley's Celebrated, Patent Duplex Elliptic, or Double Spring, SKIRT.

The wonderful Flexibility and great confort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railread cars, church pews, arm chalre, for promende and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as saik or muelin dress, an invaluable quality in crinoline, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the duplex elliptic steel spring skirt for a single day, will never afterwards willingly dispense with their use. For children, misses and young ladies they are superior to all others.

They will not bend or break like the single spring but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with couble and twisted thread, and the bottom rods are not only double springs, but twice for double) covered; preventing them from wearing out when dragging down stoops, stairs, &c.

The implex Elliptic is a great avorte with all fadies and is universally recommended by the Fashion Magazines as the standard skirt of the fashionable world.

To enjoy the Lilowing inestinable advantages in crinoline, viz. superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Brindley's Duplex Elliptic, or double springs skirt, and be sure you get the genuine article. CAUTION—To guard against imposition be particular to notice that skirts of Gard as "Implex" layed the red ink stamp, viz. 2t. W. Bradley's Duplex Elliptic, or double springs taided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other spring.

For sate in all stores where first class skirts are sold through the centre, thus revealing the two (or double) springs traided together therein, which is the secret of their flexibility and strength,
