THE LADIES.—Do you really intend to cease weating the beautiful styles now so prevalent, or dress less elegantly, because the rebel Jeff. Davis, was captured in Fashionable Female attire? One moment's calm reflection will surely serve to change your rash resolve. The angels had too much good sense to lay aside their pure chasto robes of white, because they had for a time served to hide the deformities of that Prince of Robels, the Devil. Can you err in following the example of Angels! Then having made up your minds that you will continue to dress tastefully regardless of rebelacts, do not forget to call at the store of the subscribers, who will be happy at all times to furnish you with such articles of dress as you may desire. Urge your fath, ers, husbands, brothers, neighbors and children to visit the same store. They can here be suited in good articles of Boots, Shoes, Clothing Material, Hats, Caps, Queens ware and a general assortment of Greceries, on as reasonable terms as at any House in town. LATEST FASHIONS DEMAND . W. Bradley's Celebrated Patent Duplex Elliptic, or Double Spring, SKIRT.

The wenderful Flexibility and great comfort and pleasure to any lady weating the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, opens, carriages, raifrond cars, church pows, arm chairs, for promenale and house dress, as the skirt can be folded when in use to occupy a small place as easily and convenience of weating the duplex elliptic steel spring skirt.

A haly having enjoyed the pleasure, comfort, and great convenience of weating the duplex elliptic steel spring skirt for a single day, will never afterwards willingly dispense with their use. For children, misses and young ladies they are superior to all others.

They will not bend or break like the single spring but will preserve their prefect and gracful shape when three or four ordinary skirts will have been thrown aside as usoless. The hoops are covered with combo and twisted thread and the bottom rols are not only double springs, but twice for double coverel; preventing them from warning out when dragging down stoops, stairs, &c.

The toughes Elliptic is a great stayorite with all ladies and is universally recommended by the Fashion Magazines as the standard skirt of the fashionable world.

To enjoy the f flowing inestimable advantages in crinoline, viz: amperior quality, perfect manufacture, stylish sings and fanish, flexibility, durability, comfort and economy quality for the mountain string the content and condition of the string skirt, and be sure you get the genuine article.

AULON—To guard against imposition be particular to notice that skirts offered as "Duplex Elliptic Steel Springs houte that very hoop will amint a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the sceret efficiency flexibility and strength, and a combination not to be found in any other spring.
