Resolved, That hereafter no bills be paid by the Treasurer of this Society keeping and inspection by any person contributing to the funds of the Soci-

Which was unanimously adopted.
On motion of Wm. P. Orbison, Esq., the thanks of the Society were tendered to Theo. II. Cremer, Esq., for his address, and that he be requested to place a copy of the same at the disposal of the Society for publication.

Wm. P. Orbison, Esq., was on motion requested to deliver an address before the Society at its next meeting, in April next. The financial committee was instruc-

ed to take into consideration the propriety of purchasing a piece of ground holding the annual Fairs, and nake report at next meeting.

Adjourned. GRAFFUS MILLER, Pres. Joun M. Bailey, Secretary.

Among the great irou manufacturing establishments for which Pennsylvania is famous, is that of Johnstown, where a town of fifteen thousand in -Everybody is complaining of the habitants has sprung up around the high price of eggs, and inquiries are iron works. The iron is produced from the immediate neighborhood, the ore yielding about fifty per cent. of iron. About twelve hundred tons of railway iron are manufactured every week, enough to lay twelve miles of track. \$1,650,000 capital is invested in the business, and 3200 men and boys are amployed, the wages varying from —Where is the man who loves to think of the "good old-fashioned winters?" The winter of 1867 man to the wages varying from \$1,42 to \$4 per day. A woolen mill is in operation near Johnstown which gives employment to the daughters of the iron-workers. The railroad iron manufactured is sold for about thirty dollars per ton, and is mostly used for the Pacific Railroad.

A town whose inhabitants take an interest in manufactures is sure to prosper. The above item bears sufficient evidence in this particular. Johnstown

and standing as Huntingdon. Instead it has a population of 15,000, all owit has a population of 15,000, all owing to the interest which its people feel in the manufacturing pursuits. Its men of capital are ready to invest their Saudy Valo Cemetery, on Sunday. money in that which is profitable, and the result is they afford labor to hunwill result from the breaking up of ice dreds and thousands, while they derive in the spring. The ice gets no chance | pecuniary benefit themselves and are rapidly augmenting the prosperity of the town in which they live.

The following extract from the min-The estimated loss amounts to about \$19,000, with an insurance of \$13,000 dieates that there is to be a lopping of "dead heads." The courtesy of a free pass has been so shamefully abusded by unprincipled men, who leaned that the officers of the company have found the system of free passes an inand they have determined to curtail

it: President's Office, P. R. R. Co., \ Philadelphia, Jan. 9, 1867

solution were adopted: Whereas, The free pass system has become a serious evil, by its extension,

and the abuses arising in many cases from improper use of the courtesies so extended: Therefore be it "Resolved, That this Company will decline to issue free passes, except for

purely charitable purposes, and such others as in the opinion of the President may be absolutely required by the interests of the company—Further, that no officer of this company but the President, shall issue free passes except to employees when traveling on the business of the company, unless specially authorized by the President.'

Officers of the company will conform to the above.
J. EDGAR THOMPSON, President.

A MEAL AT ALTOONA .- Most of our readers know that the passenger trains on the Pennsylvania railroad stop twenty minutes at Altoona for breakfast dinner or supper, as the case may be and of course there is not much time at The report of the delegates to the talk politics. On the contrary, one considers it his first duty to "help himself," and he does it in a style to be talk politics. The following is a potruly savage. The following is a po-

etic (?) description, hurriedly written on the under side of a dish on a recent occasion of that kind: With a bang and a batter, a clang and a clatter, the dish and the spoon, in the dining sa-loon, are heard to resound from the roof to the ground. The knife and the eloquent address on the subject of fork go to work on the pork, on the Agriculture.

6 beef and the veal, the fish and the cel, The present officers of the Society on pointers and beans, tomatoes and were on motion of S. Miles Green, greens; while the ten is served up in saucer and cup. All the while men are bawling to the waiters, and calling for this and for that, for meats, lean and fat, for eggs and for ham, for chickens and lamb, for a small or a big piece of fat roasted pig. Cursing the waiter, as though 'twere his fault until they are approved by the rmance committee and so endorsed by them, and then only on the order of the President. The bills and orders to be confident to the Treasurer for safe covers steam engine is heard, callthe savage steam engine is heard, calling out "aboard!" It must be so, and we'll cheerfully go, for now we can count on a ride through the mountain, with stomachs that feel good after that

> Complimentary The Hüntingdon Band was at Harrisburg on the 15th and the Harrisburg Telegraph of the 16th, says:

> "We are under many obligations to the members of the Huntingdon Band for the delightful music at the residence of the proprietor of the Telegraph. They were accompanied by their worthy Representative, Mr. Whar ton. We learn that the band was but recently organized, yet they were equal to any of the oldest bands in the line of procession yesterday. Their instruments are of the best class, and we wish them all a long life of happi

> The band also serenaded Gen. Joo. W. Fisher. At the close of the sore nade he made an eloquent address,ir which he paid a glowing tribute to the gallantry of the Huntingdon county volunteer troops, as exhibited on many n hard contested field, and closed by thanking them for the mark of their esteem which they had shown in thus calling upon him. He invited them to his rooms, where they were substantially treated."

Two MEN KILLED .- A terrible accident occurred in the mines of the Cambria Iron Co., on Saturday even-ing last, by which two men, named Dunn and Hotchkins, were almost instantly killed, by the premature explosion of a blast. A companion left the men tamping the blast, and proceeded toward the mouth of the mine. Hearing the explosion, he immediately returned and found both in the agonies of death. Dunn spoke a few words, without its great manufactures would have been as dimunitive in numbers they could be taken to their place of boarding. Dunn leaves a wife and five children in England. Hotchkins was

THE VERY LATEST and best chance for bargains. March & Bro. are selling off their entire stock of goods at reduced prices, with a view of closing business by spring. Ladies and gentlemen desirous of securing the best bargains of the season would do well to call and examine our stock at the car liest opportunity.

Just the Thing.
Mr. Thos. Strickler has pushased the right for this county to manufacture and sell the "Union Wall Rack and Clothes Frame," a most convenient and handsome piece of furniture. jury rather than a benefit to the road, Every good house keeper will have one, that's certain.

Settlement of Accounts, The 20th is past. Those who knew At a stated meeting of the Board of they were indebted to us, and called Directors of this company, held this and settled their accounts, have our day, the following Preamble and Rethanks; and those who did not favor us with a call will please do so soon.

-In demand, eggs and fresh butter and good potatoes. -Too much of a good thing, the snow. Less snow and more money would make the bells jingle more mer

-The little girls and boys could bave their pets about their yards if they would feed the little birds while

the ground is covered with snow. -Accommodating, farmers who fill their sleds with straw of hay, and leave them stand-our town cows are always on hand.

-Bro. Traugh is informed that our town's "dad" has still got his "pass." Can he say as much for his town's "dad."

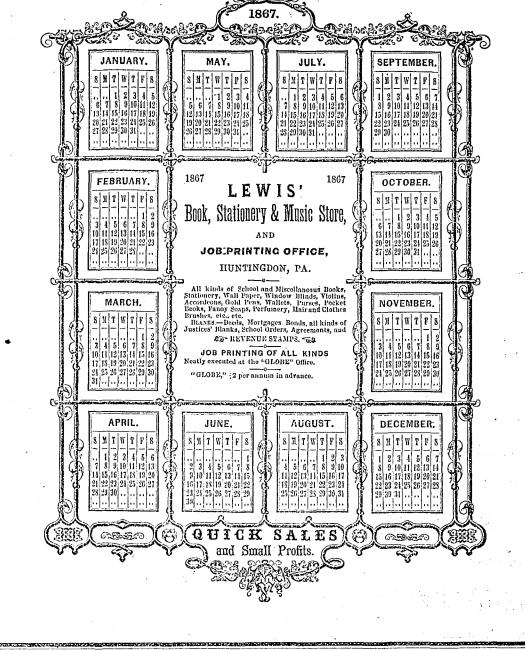

-Maj. Wm. F. Johnston has with drawn from the firm of S. E. Henry & Co., in this place, and the new firm consists of the following accommoda at the mammoth store and see them. The Major, we learn, will start a first class store in the spring. We hope success to each and all.

-D. A. T. Black of Bedford has been in our town disposing of rights to manufacture his patent sleighs or sleds. The sleds or sleighs with the improvements rans on wheels or runners at the option of the driver. It can be run like a wagon over bridges or bare ground; does not push on the horses going down hill or slide to one side on ley places.

Hay, Fodder.or Straw Wanted. The cash will be paid for a load or Estate in the several counties of this two of good hay, topped fodder, or straw, at this office.

> A fine assortment of Cream and other Candies, etc., for parties, can be had at Lewis' Family Grocery.

Liquid Slating for making or repairing Black Boards, for sale at Liewis' Book Store.

WHOLESALE MARKET.

Pittsburgh, Jan. 12.—Ffour.—The market is not quite PHILADELPHIA, Jan. 19, 1867.

WHOLESALE MARKET.

Pittsburgh, Jan. 12.—Flour.—The market is not quite as active as it has been for some time back. We can note sales 100 barrels spring wheat Flour at \$12,256 12,40 and winter wheat Flour at \$12,256 13,75. Going down.

The transactions in Wheat are light. No. 1 spring at \$2,00, No. 2 at \$2,400 2,00, and wint rat \$3. The Corn demand is light and market quiet. We note sales 1 car car corn on the track at 69c, and 100 bush shelled at 80c. Barley sellsat 90c. suckwheat Flour at \$3.50 % cwt. Fair demand for oats and from first bands may be quoted at 49c, and from store at 526,35c.

New York, Jan. 10.—Theory is inactivity in the flour mer-

ted at 49c, and from store at 52@53c.

New York, Jan. 19—There is inactivity in the flour market, the closeness of the money market and the rigors of the season contributing in no small degree to the result, and prices of State and Western have declined. The receipts are quite insignificant, while the local mills are not working up to their full capacity, yet the supplies from these sources are fully equal to the home consumption, the export trade being restricted by the relatively lower prices rading? In the principal foreign markets than here. The last three days mark the dulies period in the wheat market for several weeks. Prices have declined wheat market for several weeks. Prices have declined and the receipts are very light. Співадо, Jar., 19.—Flour quiet;spring extra \$9,75@10,25 Wheat is 1c lower; No. 1 at \$2,13@2,15; No. 2, \$1,87@1,89

DOBBINS' ELECTRIC SOAP

SAVES TIME, SAVES MONEY, SAVES LABOR, SAVES CLOTHES,

SAVES WOMEN, AND ALL GROCERS SELL IT. It is used by cutting into small shavings and dissolving in hot water, then soak the clothes five to ten minutes, and a little hand rubbing will make them as clean as hours of hard machine rubbing would do, with ordinary soap, and the most delicate fabric receive no injury. We can refer to thousands of families who are using it, and who could not be persuaded to do without

DOBBINS'

ELECTRIC SOAP, Sold by all LEADING GROCERS THROUGHOUT THE STATE. WHOLESALE OFFICE:
