I \$500 00 know not how nor where, but some one had repeated in my hearing that saw the green hill once more, but his "Knowledge is power." To me the feet were never planted upon his na-\$769 56 words came like an inspiration. They solved the riddle of my life. To know was to do. Not knowing I was power-less for I could not even unseal the gates of Opportunity, and my desires must JOHN FLENNER, JACKSON HARMAN, Directors of the Poor. be like curbless steeds, as likely dashing along the road to ruin as on that which leads to safety. -1\$ Then I began to study from books and from men. I listened to every conversation that went on in my hearing, 1 50 from which even a stray item of information might be gleaned. And so the years wore on, and I was 63 50 no longer a child. My guardian was dead. Some lingoring feeling of grat-8 00 9 48 itude, that she had stood between me and utter homelessness, a forgetfulness of the years of solitary suffering which 5 70 had made me old in my childhood, of the blows, the starvation, the dwarfing, mental and spiritual, as well as bodily. 61 50

that I had undergone at her hands, made me, in this hour of parting, bring b forth the little hoard so patiently accuof the fruition of every hope and plan, though a loved wife, and child as beaumulated from chance gifts and earn- $\begin{array}{c} 12 & 00 \\ 16 & 50 \end{array}$ ings, for quite another purpose, and provide with it the decent funeral which was all that remained to be done has been passed. The chains of habit for her. 30 50 42 50 for her.

the world and worldly things. I loved my wife; but neglect and cold indifference poisoned the springs was ill-deserved; and I then learned that no blood of hers ran in my veins. of her life, and in her early prime she name, of one-half of an elegant block My parents had been very, very poor, faded from the home she made baautiof houses in the neighborhood, worth but honest and true-two young things ful. I know not how I loved her till I thirty thousand dollars. who, loving well, had dared their fate missed her presence, and the aching and been worsted in the struggle of void in my heart told me she was gone life; dying in their youth and leaving forever. I resolved then to devote my- thing for a rainy day. If you had me to one who had been at least kind self to May ; but the power of habit been half as smart as your brother, we to them, and would have been kind to was too strong for me, and the desire might have had the whole block by me, had not the fatal appetite absorbed of money gotting, and of being a king

I was alone now, with every year

Steady industry in a place like mine never goes unrewarded. Each year saw me advanced to positions of more

trust and more emolument.

was entrusted to me, and before the man pain there as I sit alone and think of May, my sweet child, done to death by my cruelty.

It is not strange that she loved ear My position now was excellent, my ly and with all the repressed wealth prospects truly flattering. I was no longer little Tim, but Mr. Courtney, all her life since childhood, scarcely and every one connected with the busi-ness treated me with great respect and warm sympathies and affections of

hird year I had crossed the Atlantic known poverty, and now I had great four times, and the entire European | wealth, and I said, "riches shall business was entrusted to me. On my riches-1 will have no paupers in my twenty-third birthday 1 was admitted family."

and went about his business (if he had any,) and Franklin returned into the printing office.

## An Example for Married Men,

A number of years ago, Charles and He did, however. His dying eyes ----were married in the city Clara S--of New York. Charles was wealthy and in good business-very comfortative soil. He died as the stately ship ble circumstances for a young man, which tended, of course, to develop his naturally liberal disposition.

Feeling thus happy and indepen-dent of the world's frowns, he proposed less. There was blood, but not wealth, to his youthful bride, during the honey in her family, and her high-born con-nections troubled themselves very moon, to give her five thousand dollars for every "scion of his house" ittle about her. But when I came to which should be engrafted upon the family tree-an arrangement, as may her in her loncliness and affliction, gratitude grew apace, and soon bore be supposed, to which the lovely the sweet flowers of affection. Six made not the slightest objection be supposed, to which the lovely Clara

nouths from the close of that eventful Time passed on, Charles faithfully. voyago Miriam Lislo was my wife, performing his agreement, and making no inquiries as to the disposition and the ideal home had been attained. of his money by his better half, until I was happy; but happiness palls upon the sense with custom. My life they had been married ten years; for-had long been in business and activity. tune, which had smiled with constancy, suddenly turned her back, and left my wife, and though regarded as a him apparently high and dry among pleasant refuge, it did not satisfy me. I must be out in the world, amid its When the crisis had arrived, be

whirl and bustle. And thus-in spite went home with a heavy heart to an nounce the sad news to his wife, that he was an irretrievably ruined mantiful as ever blessed the fondest heart, that his property had all gone to satwere mine, and my home was all I isfy his creditors, and nothing was ever craved or dreamed of-my life left. has been passed. The chains of habit "Not exactly so bad as that, my

dear," said Clara. "Wait a minute, and see what I've been doing."

Thus saying, she ran up stairs, and soon returned with a deed in her own

"You see 1 have been industrious," continued sho, "and have laid up somethis time."

## ng. A Western editor asks the folowing question : "It a fellow has nothing when he gets married, and the gal has nothing, is her things hizzen or his things hern ?" Ain't she hizzen, or is ho hern, we would like to know

My German friend, how long have you been married ?" "Vel, dis is a ting vot 1 seldom dou't like to say about, but von I does, it seems so long as nover vas."

100 A sentimental young man thus feelingly expresses himself. "Even as nature benevolently guards the rose with thorns, so does she endow womon with pins." Anyting bite, sonny?
