Missionary Meeting.

The annual missionary meeting of the congregation of the M. E. Church, of this place, of which Rev. J. A. Price E., after which contributions to the burg, Blair County. cause of missions to the amount of \$117,55 were received. In the afternoon the anniversary missionary meeting of the Sabbath School connected with the congregation was held, at which the scholars sang some beautiful hymns, conducted by Mr. B. M. Greene. Superintendent, and interesting addresses were delivered by Hon. John Scott, of this place, and Rev. Mr. Barnhart. At the close of the addresses the contributions to the cause which had been collected in the various classes in the school during the month, were paid over, the amount aggregating over \$82. The annual report showed the sum of \$155,13, being an increase of about \$50 over last year's amount. The amount received from about \$5. The special services were continued in the evening, Rev. Barnhart occupying the pulpit. A basket received made a total of over \$390.

Sous of Temperance. A Division of the Sons of Temperance was revived in this place on Friday evening last. The Division is composed of some of our oldest citizers, and has already about thirty members, with fair prospects of the He was notable to swim and the boat numbers increasing. It meets for the in the meantime was being carried present in the Court House Hall, on cown stream by the current. It was Saturday evening.

The following are the officers for the present quarter: W. P.-J. Nelson Ball; W. A - Jesse Summers; R. S .-John E Smucker, A. R. S .- Daniel W. Womelsdorf; T .- E. C. Summers; F. S. John Murray; C .- Isaac Long; A. C .- Ferdinand Corbin; J. S .- J. D. Leonard; O. S .- G. Ashman Miller; this time, has not been rescued. Chaplin-B. M. Greene; D. G. W. P .-

Town Hall

It is said that the Burgesses and Town Council have agreed to build a market-house, engine house and town hall, if they can only secure a lot suitable for such a building. If such is the case, we hope somebody will be liberal enough to sell a convenient lot Monitor says that the people of Coalmont, this county, feed but six dogs.
Sausage must have been plenty during ing favor on the community. give our a reasonable figure, and confer a last. a double track. This is perhaps one of town what it ought to have, and by all means stop us from continually prating about the subject. We have said so much about it that we wonder our country subscribers haven't given us an over-haul, or sent us in charitable contributions to show our town's people how to be liberal and enterprising.

Painful Accident. Miss Lizzie Akeley, a young girl -The Cornet Band has been the living at Mr. Wm. Orbison's, Jr., of this place, met with a painful accident on Saturday evening last. She was a pitcher, which she was holding with -The Quarterly Convention of Good. both hands, into the house. On reachbroken by the fall she cut a frightful pected that a double track will be laid set to note. Every temperance society one of the fragments of the pitcher gash in her right wrist, and severed the artery, thus causing a rapid flow "No county in the State is more in of blood. Her wrist was bandaged by need of reconstruction upon a temperance basis than ours." We would suggest that the temperance men in that She still suffers some pain, but it is thought she will regain the use of hor hand ere long.

Resigned.

Mr. Wm. A. McCormick has resigned his position as Passenger Agent at this station, and will leave for Williams--The Huntingdon Cornet Band burg, Blair county, on Friday next. gave the people of the town, (this time | where he has accepted a situation as nobody in particular and everybody clork. > Mr. Samuel Martin has been appointed to fill the position.

Borough and Township Elections. The Spring election for borough and township officers will take place on Friday, March 16. For general information it is stated that the act of Assembly, approved the 30th of March last, requires the names of all candidates to be printed or written, or partly printed and partly written, on one an opportunity to judge for themselves. piece of paper similiar to the tickets voted last fall. In the townships the tickets must be headed "township," and the names of all the candidates outside. The tickets in the boroughs are to be the same, with the exception "township."

A gentleman on coming to town on Tuesday morning, Feb. 19th, found on

One complete set Pelton's Out Diaries for 1867. for sale at Lewis' Family Grecery. cheap at Lewis' Book Store. tf.

A correspondent of the Bedford In-

here, which entirely cuts off commu nication between us and Yellow Creek settlement. The citizens of Hopewell friends, immediately got to work to construct a temperary ferry, to our mutual benefit and accommodation.

Mr. Typper with his usual zeal and energy, which was characteristic of the man, when he could be the means of furthering the interest and convenience of others, applied himself to the accomplishment of this object.

A wire rope was procured that was stretched from the remaining span of the bridge to the opposite shore, and by this means the boat was to be taken back and forth-the current be ing two swift for any other mode. The ropes were adjusted, and three the "Reserve Corps," (spectators) was persons beside himself got into the boat to try the experiment of taking the boat to the opposite shore. When about one-third way across, the pulley hart occupying the pulpit. A basket to which the rope was attached, re-collection was taken up, and the amount fused to work, and it was found necessary to get the boat back to the place ple of the lower end of the county. of starting; doing this, however, the rope, by some means got loose from the boat, and Mr. Typper with two others, was thrown into the waterthe two succeeded in getting into the boat again, but he held on to the rope that had got loose from the boat and that was attached to the wire rope. still hoped by those watching the exciting scene, that the men in the boat would reach him before he would be forced by the rushing water to let go. But notwithstanding their manful exertions to rescue him from his perilous situation, they were too late, his hold was loosed, and he sank to rise no more, and what adds still more to the sadness of his friends, his body up to

He was about thirty years old, and has been in the employ of Lowry, Eichelberger & Co., since the winter of 1861, and his services, and his devoted attention to their interest were highly appreciated by them.

Important Improvement. The Pennsylvania Railroad Comny have been for a considerable time engaged in constructing a wall of solid the most difficult points on the Road for the construction of an additional A Book Worth Ten Times its Cost, track, the rugged, almost perpendicular, ascent of the mountain on the right making it absolutely impossible to lay a track on that side, while the canal hugs the present track closely on the left, and the river being in close proximity to the canal. The Company were therefore compelled to build a wall into the canal for the new track, and on this work from 30 to 35 men kairoads of the #L. S. kairoads of the #L. S. kairoads of the #L. S. have been constantly employed for two and a half or three years past. The wall is 3400 feet in length [almost three quarters of a mile], 20 to 25 high, and 6 feet thick; making about half a has been under the supervision of Mr. Paul Smith as chief engineer, and refleets much credit on his ability in that New York.

capacity .- Mount Union Times. A Difference of Opinion.

The two Bedford papers have different views of the abilities of Mr. E. H. their rooms and select their paper Uniac as a temperance lecturer. The Inquirer says:

"It (the lecture) was such a treat as Store. we seldom receive up here in the mountains.

The Gazette says: "His matter is the merest jumble of

erudities possible to be uttered. This assertion is backed up by scurrilous attack upon Mr. Uniac, from "A Good Templar," (?) which places him in the same category with a "clown," "monkey out of the pulpit,"

We have heard Mr. Uniac, and know him to be what we have always repreduties punctually and faithfully. We sented in our columns. Hun tingdon, oc. 31, 1866

The wonderful Hexibility and great comfort and plonsure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a sitk or muslin dress, an invaluable quality in crinoline, not found in any single spring skirt. A lady having enjoyed the pleasure, comfort, and great convenience of wearing the duplex elliptic steel spring skirt for a single day, will mover afterwards willingly dispuse with their use. For children, masses and young ladies they are superior to all others.

They will not bend or break like the single spring but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as. They will not bend or break like the single spring but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as necless. The hoops are evered with couble and twisted thread, and the bottom rods are not only double springs, but twice for double) covered; preventing them from wearing out when dragging down stoops, staira, etc.

The Duplex Elliptic is a great invortic with all tadies and is universally recommended by the Fashion Magazines as the standard skirt of the fa-bionable world. To edge the filling inestinable advantages in crincine, viz. superior quality, perfect manufacture, styling shape and links, flexibility, durability, comfort and econstance and makes, flexibility, durability, comfort and econstance and makes. omy, enquire for J. W. Bradley's Dupilex Elliptic, or double spring skirt, and be sure you get the genuline article. CAUTION—To guard against Imposition be particular to notice that skirts offered as "Dupiex" have the red that strain, viz: J. W. Bradley's Dupiex Elliptic Steel Springs' upon the waist band—none others are genuine. Also notice that every hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other spring.

For said in all stores where first class skirts are sold throughout the United States and elsewhere.

Manufactured by the sole owners of the patent,
