It is a most delightful Hair Dressing. It wradicates scurf and dandruff. It keep the head cool and clean. It makes the bair fich, soft and glossy. It prevents the bair turning gray and falling off. It restores hair upon prematurely hald heads. This is just what Lyon's Kathairon will do. It is pret-ty--it is cheap-durable. It is literally sold by the car-iond, and yet its almost incredible domand is daily increa-sing, until there is hardly a country store that does not keep it, or a family that does not use it. E.
