Bold Thief. Beyond the Mississippi A Complete History of the New States On Friday last an Irish woman and Territories, from the Great River to amed Annie Nolan, employed as a the Great Ocean, by Albert D. Richardervant in the house of Mr. W. P. Ruson. This is a most entertaining and dolph, in this place, took it into her valuable book, and its popularity is athead, in the absence of the mistress, to tested by the sale of over 20,000 copies pack up her bundle, and leave the pre- in a single month. The Author's long

and varied experience in the little nises most unceremoniously. She accordingly commenced to pack up, but known and interesting regions of the Far West, furnishes the valuable mainstead of taking her own clothing, she | terial for its contents. opened Mrs. Rudolph's wardrobe and Mr. Richardson is widely known as elped herself to six dresses, one of one of our most brilliant journalists them silk, one large shawl, together and writers. No other Author has traveled over so much of our vast westwith some other articles of apparel, ern domains, and wo know of no one

and some jewelry, amounting in all to who can so well describe what he has about \$150. Mrs. Rudolph returned seen. He is always interesting, generhome in the evening of Friday, and not finding her domestic, suspected ally amusing, and, better still, invaria-bly truthful. The volume before us is accompanied that something was wrong, which fear by an accurate and minute map of the

was soon realized when she beheld entire region beyond the Mississippi, and is elegantly printed and profusely illustrated with over two hundred enher wardrobe. The next morning Mr. James A. gravings from original photographs

Brown went in search of the thief, and sketches from the pencils of Bierand hearing at Petersburg, whither stadt, Nast, Hennessy, Darley, Feon, she had walked, that she had gone to Stephens, Forbes and other eminent Tyrone, he at once repaired thither. - artists, which are really beautiful and worthy of examination as specimens of art. Many of them are set into the The woman was not in Tyrone, but had gone to Osceola, near which place she was captured in a house of rather suspicious nature. The bundle of of the Revolution.

It is a credit both to American art clothes was taken from her, and she and authorship, and is not only the was placed in safe keeping. most valuable work from Mr. Richard.

A Bold Operation. We find the following in the Johnsson's pen, but by far the best and most complete history of the great West ever issued. Those who wish for autown Democrat. As Huntingdon is a thentic information of the resources, station where the cars are inspected, condition and prospects of the West-ern and greater half of the continent, we deem it applicable, and therefore publish it as a warning in time : within a few years to be sown thick with civilized States, rich in all the

Some weeks ago, a passenger train elements of greatness, should consult on the Fort Wayne and Chicago Rail Road, stopped just after dark at a town in Ohio, where the wheels and running this most valuable work. The writer has a charming style, a fund of humor, and his experiences are of thrilling inmachinery of the cars were to be in-

terest. We predict for this book an unprecedented sale. "All Young Amer-ca" expect to go West and seek their fortunes when the Pacific Railroad is spected. Shortly after the train hal-ted, an individual stepped into one of the cars, and with an air of authority announced, that there was a crack in built, if not before, and will read with one of the wheels of the car, and as it avidity "Beyond the Mississippi." This work, we understand, is sold would be taken out of the train, the passengers should proceed to the next only by subscription, and is just such car, whereupon the lights were at once put out. The passengers rushed into the aisle in great hurry and when a one as persons seeking to act as agents should add to their list. It is published by the National Publishing Co., Philadelphia, Pa. the confusion was at its height, the conductor appeared and finding the

## lights extinguished, and the cause, an-nounced to the occupants of the car, WANTED.

**W 500** Agouts to canvass for a work entitled "Nojoure," written by Hanton E. Helper, author of the "Impending Crisis of the South." The object of the au-thor in this work is to show the great distinction be-there in the white had black races. It is denouncen angro that thieves had undonbtedly been at work. On lighting up the car, it was found that a number of pockets had tween the white had black races. He denoues negro political and social equality, and says he can no longer act with a party that would willingly destroy the great line of distinction between the white and black races which Got himself have established. Every perion should secure a copy of this work. ALSO, 500 A gents wanted to circulate the 'Youth's History of the Wat." the only history from a Donoeratic standpoint.
