The Republican Mass Meeting. A call has been issued by the Chair nan of the Republican County Committee, for a Mass Meeting at this place on Friday next, the third day of the

Fair. Last year, contrary to the desire of either party, both political parties held meetings during the Fair, and so far disturbed the arrangements for the Fair that the Society lost instead of adding to its funds. At the meeting of the Society this year ordering a Fair to be held, it was understood by the gentlemen of both parties present, that if a Fair was ordered for this fall, no political meetings should be held during its continuance. If such had not been the understanding we are safe in saying no Fair would have been held this We do not feel disposed to hold the Republican party responsible for

We are gratified that the Democrats still remain firm to their pledge, and will not hold any political meetings during the Fair. If the success of the Fair should be interfered with by the action of the reponsible parties having in charge the Republican organization, the farmers and people generally will know who to blame should there be no more Fairs —Blessed is the man at this time held in this county. He has a large vineyard in view of my resi-dence, and has been for some time engaged in cultivating the Port Grape.
The Port Grape Wine cannot be excelled by any American wine. It is bottled by Mr. Speer every season in

A match game of Base Ball was played between the Alert of McConnellstown, and Eagle club of Dudley, on the grounds of the Alert, Saturday Sept. 21st. Score, Alert 69; Eagle 40; another victory for the Alert. I would say to the Eagle club, that the Alert consider them second in the county, but sorry to say they are not as pleas. ant to play with as some clubs we have played. The conduct of the Captain I EAD QUARTERS of Eagle club, in the presentation speech, was very rude and unmanly; and the credit he received from Eagle or Alert," was but little. WANTED. 500 Agents to canvass for a work onti-"Nojoque," written by Hinton R. Holper, author of the "Impending Grisis of the South." The object of the author in this work is to show the great distinction between the white and black races. He denounces negro political and social equality, and says he can no longer act with a party that would willingly destroy the great line of distinction between the white and black races which God himself has established. Every person should secure a conv of this work.
