The girl engaged in moulding bread Shall make some sweetheart flutter, With hope to get that dairy maid To make his bread and butter. She may not play the game croquet, Or French and German stutter, If well she knows the curd from whey, And makes sweet bread and butter.

In meal or cream she's elbow deep, And cannot stop to putter,
But says if he will sow and reap
Sho'll make his bread and butter. The dairy maid, the farmer's wife, Shall be the toast we utter; Alone, man leads a crusty life, Without good bread and butter.

Wit, Humor and Wisdom

A DOUBT EXPRESSED .- One Sabbath afternoon, a Sunday school teacher observed two boys playing at marbles by the roadside. He stopped, told them how wicked it was, and succeeded in beautiful world and all that was in it; we must thank him for the good things we enjoy. He gives us food and our clothes.

"Does he give me my clothes, too?" "Yes: he gives us everything."

"Now, that's where you get your eity within forty-eight hours," because trowsers out of dad's old ones."

"Os: he gives us over, where you get your eity within forty-eight hours," because they opposed the Radical ticket. Some of the few negroes who voted the Con-A RAW Irishman, just over, went 'That's wittles," was the answer.

ple to start as though they had received an electric shock. Jonathan, throwing his arms around his dear, exclaimed—"Hug up to me, 'Liz, let's die votes like a concentrated broadside."

further prevarication." piety, my dear; but I know very well I shouldn't like her to cook my victuals. When a man comes in hungry an' tired, piety won't feed him, I reckon. I callthe potatoes was as watery as water.

It's right enough to be sperctual—I'm no enemy to that; but I like my potatoes made.

or expect that in the present political condition of things a sufficient number would go over to the Democratic side to give them a preponderance; it would not be unnatural nor impracticable on the other hand for the Conservative clement in the Republican party to cast loose from the Radicals and offer a programme upon which Democrats could unite, forming a basis for political organization distinct from either of the political parties as they now exist.

Fair invalid "Lor', Jane, I do feel that bad! Do, please, make me a A National Thanksgiving.

THE PRESIDENT'S PROCLAMATION:-

In conformity with a recent custom that may now be regarded as established on national consent and approval, I. Andrew Johnson, President of the United States, do hereby recommend to my fellow-citizens, that

Thursday, the 28th day of November, next, be set apart and observed throughout the republic as a day of National Thanksgiving and praise to the Almighty Ruler of nations, with whom are dominion and power, and who maketh peace in his high places. Resting and refraining from secular labors on that day, let us reverently and devoutly give thanks to our heavenly Father for the mercies and blessings with which He has crowned the now The N. Y. Christian Intelligencer closing year. Especially let us republishes the following interesting and member that He has covered our land: instructive digest of the human organ- with greatly needed and very abun-Presidency and the control of the National Government for four years more must be perfected. The issues and the form of organization are of the utmost importance. The Radicals cannot sueced in their schemes except by a virtual the human body. We look upon a lakes and rivers, and upon the light seas, and at the same time to exreating several tried Union men who were opposed by crazy and malignant Radical candidates, generally fresh from the North, who had gone to that State to gain political eminence at the hands of the negroes. The returns so far indicate the election of thirty Conservatives and sixty Radicals sighted. In the human skeleton about the time of maturity are 165 bones.

The muscles are about 500 in number the length of the alimentary canal about 32 feet.

The length of the alimentary canal is about 32 feet. The length of the animentary cannot be also bessed the peaceth efforts with which we have established new the and important, commercial treaties nearly 30 pounds, or full one fifth of the ontire weight.

ounces per minute, six hundred and erto so undeservedly and yet so con-

ounces per minute, six hundred and erto so, undeservedly and yet so confifty-six pounds per hour, seven and three fourths tons per day. All the blood in the body passes through the heart every three minutes. This little organ by its ceaseless industry, and the hillotted span, the little organ by its ceaseless industry, and the little span, the little organ by its ceaseless industry, and the little span, the little organ by its ceaseless industry, and the little span, the little organ by its ceaseless industry, and the little organ by its ceaseless industry. Done at the city of Washington; the 26th day of October, in the year of our Lord, 1867, and of the independence of ANDREW JOHNSON.

must, if they desire the overthrow of the Radicals, come over to their organization and submit to the dictation of their leaders. This extraordinary assumption of superiority is based upon the name and of superiority is based upon the name and of organization of the party. They do not reflect that the sun of that party, as a National organization, went down at Charleston, in 1860, and it has not since arisen, and there is yet no evidence that it is ever dostined to rise. There is now no organization known as the Democratic party in the Southern States, lately in robellion—the majority of the blacks and a few mean whites are Radicals, and the rest are Conservatives. Kentucky is the only Southern State where a distance of the air cells of the lungs exceeds 20,000 square in the special content of the air cells of the lungs exceeds 20,000 square in the square.

The aggregate surface of the air cells of the lungs exceeds 20,000 square in the square.

The average weight of the brain of the party, as a National organization, went down at Charleston, in 1860, and it has not since arisen, and there is yet no evidence that it is ever dost timed to rise. There is now no organization known as the Democratic party in the Southern States, lately in robellion—the majority of the blacks and a few mean whites are Radicals, and the rest are Conservatives. Kentucky is the only Southern State where a distance of the air cells of the lungs exceeds 20,000 square in the square.
