The Globe.

HUNTING DON, PA. Adlit, Bumor und Edlishom

Judge ---, of Baltimore, is an able Judge and pious man. He knows for what the island of Jamaica is chiefly colebrated, and thinks with Lord Byron that "the two things most consolatory to fallon men are rum and true religion."

Disdaining to imbibe perpendicularly in bar-rooms, he keeps a demijohn of conceded Otard in his oflice, and there slacks his thirst as inclination prompts. The Judge has a son who knows his habits, and emulates them with filial assiduity. On a Sunday

Every Sunday morning the Judge repeated his laudable inquiry, but Ru fus preferred the Second Methodist. The Judge soon began to notice a marked diminution in the contents of the demijohn, and rightly suspected who was the culprit. The Judge emptied the remaining liquid into another vessel and placed it in a secluded place. Next Sunday morning came the usual inter-

"Going with me this morning, Ru fus ?"

"No, father, I reckon I'll stick the Second Methodist." On reaching the office and taking

hold of the demijohn, he not only saw with disgust the empty jug, but noticed a small piece of white paper attached to the handle, on which was legibly inscribed these words : "Second Methodist closed for repairs!" After church, father and son met, and

looking curiously at each other, smiled a little smile, but said nothing. The SCHOOL BOOKS, "repairs" on that Methodist building have not been completed. So Rufus avers. no A colored witness was examin

"Yes, sir, I seed bim."

"Was he a white man?"

tions. On one occasion the Mothodist party got the best of an argument in this way."

"Ah! I guess we beat you now."

"How ?" "Why we've got six buried in our graveyard, and you've only got four ; and there's old Mr. Cooper is going to die soon, and be'll make seven."

to On Saturday evening when the CHEAPER THAN ANY OTHER congregation of one of the up town KINDS. Call at Lewis' Book Store churches were leaving the house, it commenced raining. The lady said to the gentleman who accompanied her CHOICE CANDIES and her sister, "why, it rains-send

and get an umbrella." "Why, my dear," said the getleman, "you are neither sugar nor salt, and

rain will not hurt you." "No," said the lady, "but we are lasses." It is heedless to say he sent for an umbrella.

One of the preachers at the Willimantic Camp Meeting, on Tuesday, said :- "There sits brother Pwho used to be one of the meanest men in this section of country, but the grace of God took hold of him and shook him to pieces. A hearty. "Amen" was indulged in by the congregation, and the voice of the man referred to

rang clear and loud above the rest. A sick man, just recovering his appetite, ate eighteen dumplings, and was about entering on the nineteenth and last in the dish, when his little son asked his father to give it to him. "Why, my son, would you take the last dumpling from your poor sick

"This is the smallest horse I even saw," said a countryman on viewing a Shetland pony.
"Indade, now," replied the Irish companion, "but I've seen one as small as two of him."

morning the Judge would say:

"Well, Rufus, going to the first
Presbyterian with me this morning?"

"No, father, I reckon I'il go down to the Second Methodist."

But on his way to that edifice, Rufus uniformly stopped at the office, unlocked the old gentleman's private closet, and indulged himself with pleasant fluid. I propose to check, and effectually dissipate more achie

Prof. J. H. McEntyre's INDIAN COMPOUND acts di Prof. J. II. McEntyre's INDIAN COMPOUND acts directly on the absorbents, reducing glandular and other swellings in incredible short time, without any possible danger from its use nucler any pessible circumstances.

This is an internal and external medicine—composed of roots, herbs and barks, such as our forefathers used.—There is a bountful supply on earth to cure all complaints if we only know what they were.

This has been a great study with the Medical Faculty for many years, to find out the kinds best adapted to the above complaints—how to put them together, and what proportions to use.

CATTLE, and the HUMAN FLESH, Requiring the use of an External Application. This new Compound, prepared by a practical Chen aving a full knowledge of all the medical virtues of e agredient that enters into its composition, is warran having a full knowledge of all the medical virtues of each ingredient that enters into its composition, is warranted to exceed anything of the kind over yet offered to the Public as an external application for the diseases for which is is recommended. We are satisfied that it will work its own-road into the confidence of all who use it, and therefore we rely on experience as the best test of its neclairess. It is pronounced by Farriers, and all who lave tited it to be the best application ever used. This Embracation has been put up for over eight years, and it is only through the hereasing demand and urgent request of my frends and the Public that I send it forth as the grand remedia algent for the various diseases to which that noble and useful animal, the horse, is subject

Many remedies have been offered to the Public under different forms, some of these are injurious, others at best of little use, and many wholly improper to answer the urposes for which they are recommended.

A judicious and really useful composition, free from those objections, has therefore long been desired by many gentlemen who have valuable horses, and are unwilling to trust them to the care of designing and petended Farriers. Their wi-hes are at length fully gratified, by Dr. Bealo being prevailed upon to allow this valuable Embrocation (which has proved so efficacious to the various diseases) to be prepared and brought out to the public.

This Embrocation was extensively used by the Govern

CPEAR'S PATENT Fruit Preserving Solution. - FOR THE PRESERVATION OF ALL RINES CE ROITS, VEGETABLES, JELLIES, WYNES, OTDER, &C

Without Sugar, and without Expensive Faring . . . or Air-tight Jurs.

CHEAP, HEALTHFUL AND EFFECTUAL.

Other certificates from distinguished chemists, confirming the above, can be seen and had whore the solution is sold. It is claimed:

1. That Spaar's Solution priserves the flavor with the spaar's Solution properties and durably can be done in any other way, and at much less the and expense;

2. That the use of the Solution renders it unnecessary to use air. Light or expensive jure or cans, and also avoids the inconvenience of hometically scaling and keeping it om the air, heat, light, etc.

3. That the use of the Solution admits of the keeping of the fruit in vessels of any size, even in logs or barrols if desirable;

4. That the use of the Solution allows the shipment of the fruit by salt or fresil water, in the licitest weather without danger of loss or injury;

5. That it is invaluable in the preserving of Tomato, Peach, Pear, Apple, Quince and other Sauces, Wines and Coder; also for all kinds of Spiced Fruits; that these alone recommend it to every family, and to use it once will guarantee their approval.

THE CHEAPEST AND BEST AR-A PERFECT TIME PIECE FOR ONE DOLLAR. Let every Housekeeper, Farmer, Mechanic, and Travel-SOLAR WATCH or Perpetual Portable Sun-Dial. Warianted to keep True Time for every Day of the Year
This valuable instrument, which is warranted by us to
give the true time, of day throughout the year, is constructed on strictly scientific principles, being based on
astronomical tables and calculations, and affording the
timest measure of time which human ingonuity and skill
can deviste exceeding in accuracy and reliability the most
perfect chronometers, whilst the low price at which we
offer it to the public places it within the reach of all. Its
portability makes it convenient for travelers, and to every
farmer or; householder it must prove, invaluable to regulate their clecks and watches by the most infallible test
recognized by science.

The mode of using the "Solar Watch" is the simplest,
that can be devised. After screwing the Style or Gnomon in its place in; the moveable brass head and sattifg it
directly over the straight line corresponding to the date,
or that nearent to it on the cylinder, the instrument is
placed in right in the sunshine in such a position as will

or that nearest to it on the cylinder, the instrument is placed upright in the sunshine in such a position as will, throw the shadow of the style directly upon the line under it. After placing the plumb-line, by, means of its brass attachment, at a right angle with and to the left of the Style, in order to set the cylinder perfectly level, the point where the extremity of the shadow fails, and its distance from any of the wavy or cross lines exhibiting the morning and corresponding afternoon hours, will indicate the true time of day.

The whole upparatus, consisting of a Cylinder and Diagram, inoveable Brass Head, Style, Plumb line, and Brass attachment for the same, neatly put up in compact baxes, is sold by us at the incredibly low price of ONE DOLLAR. Manufactured and sold, wholesale and retail, by BAYENS, FARRES & CO.
