A PERFECT TIME-PIECE FOR ONE DOLLAR.

Let every Housekeeper, Farmer, Mechanic, and Traveler buy our

SOLAR WATCH,

or Perpetual Portable Sun-Dial,

Warranted to Keep True Time for every Day of the Year

This valuable instrument, which is warranted by us to give the true time of day throughout the year, is constructed on strictly scientific principles being based on astronomical tables and calculations, and affording the truest measure of time which human ingenuity and skill can devise exceeding in accuracy and reliability the most perfect chronometers, whilst the low price at which we offer it to the public places it within the reach of all. Its portability makes it convenient for travelers, and to every farmer or householder it must prove invaluable to regulate their clocks and watches by the most infallible test recognized by science.

The mode of using the "Solar Watch" is the simplest that can be devised. After screwing the Style or Gnomon in its place in the moveable brass head and setting it directly over the straight line corresponding to the date, or that nearest to it on the cylinder, the instrument is placed upright in the sunshine in such a position as will throw the shadow of the Style directly upon the line under it. After placing the plumb-line, by means of its brass attachment, at a right angle with and to the left of the Style, in order to set the cylinder perfectly level, the point where the extremity of the shadow falls, and its distance from any of the wavy or cross lines exhibiting the morning and corresponding afternoon hours, will indicate the true time of day.

The whole apparatus, consisting of a Cylinder and Diagram, moveable brass Head, Style, Plumb line, and Brass attachment for the same, neatly put up in compact boxes, is sold by us at the incredibly low price of ONE DOLLAR. Manufactured and sold, wholesale and retail, by

PROF. H. M'ENTYRE'S GREAT REMEDY,

THE

INDIAN COMPOUND

Internal and External Medicine,

WILL CURE:

☞ Diarrhœa, Bloody Flux in one day.
☞ Headache and Earache in three minutes.
☞ Toothache in one minute.
☞ Neuralgia in five minutes,
☞ Sprains in twenty minutes,
☞ Sore Throat in ten minutes,
☞ Cholic and Cramp in five minutes,
☞ Rheumatism in one day,
☞ Pain in the Back or Side in ten minutes,
☞ Bad Coughs or Colds in one day,
☞ Fever and Ague in one day.
☞ Cures Deafness, Asthma, Piles,
☞ Bronchitis Affections, Dyspepsia,
☞ Inflammation of the Kidneys, Erysipelas,
☞ Liver Complaint and Palpitation of the Heart.

Keep it in your Families—Sickness comes when least expected.

I propose to check, and effectually dissipate more ache and pain, and to accomplish more perfect equilibrium of all the circulating fluids in the human system, than can be effected by any other, or all other methods of medical aid in the same space of time.

THIS POPULAR REMEDY is fast coming into use, for the fact that I cure, free of charge, all those complaints whenever there is an opportunity to do so. As soon as it is applied it almost miraculously kills the pain. I do not ask you to buy before you are certain of its efficiency. If you have an achee or pain, it is warranted to do all it purports on the label.

I do not propose to cure *every* disease—only a class named by my directions. My liniment operates on chemical and electric principles, and is, therefore, applicable, to the cure or natural restorative of all organic derangement arising from an improper circulation of the nervovital fluids.

Prof. J. H. McEntyre's INDIAN COMPOUND acts directly on the absorbents, reducing glandular and other swellings in incredible short time, *without any possible danger from its use* under any possible circumstances.

This is an internal and external medicine—composed of roots, herbs and barks, such as our forefathers used.—There is a bountiful supply on earth to cure all complaints if we only know what they were.

This has been a great study with the Medical Faculty for many years, to find out the kinds best adapted to the above complaints—how to put them together, and what proportions to use.
