HUNTING DON, PA. Wednesday morning, Feb. 12, 1868.

LOCAL PERSONAL En Subscribers to The Globe will

remember that they can discontinue newspaper of this place, and if said nother subscriptions at any time, and tified parties will not leave within the amount paid on the same (after twenty-four hours, the Committee will deducting for the time the paper may have been sent) will be refunded.

## To Our Friends.

We propose to make considerable improvement in the appearance of the GLOBE early in the spring, if our ritory in twenty-four hours. By order will do their part by giving us of Vigilance Committee. the necessary encouragement. All arrearages can be paid up-and every good subscriber and friend can procure for the GLOBE an additional advance paying subscriber, which would give us support sufficient to enable us to give our patrons a much better paper than we can afford to give now. All our patrons would be gainers by merely using their influence to secure for certainly not select that locality for a upon us, for instance: this skating mania when the containing mania us the necessary additional help. We cannot complain of the support we now receive from a generous public, but if it was more liberal we could give a better paper for the same money each ter paper for the same money each us the necessary additional help. We ter paper, for the same money each subscriber now pays. Will our friends and patrons go to work immediately, that we may be able to make arrangements for the improvement at an early Brief Items.
