A N. IMPROVEMENT IN LIGHT!

AMP for burning fat, lived or tallow, which is superior to any of the kind ever introduced. It differs from all others, as it does not require the fat to be melted before lighting. It heats the fat by a copper pipe, which conducts the heat undor the fat and melts it immediately. Thousands of the lamps have been sold and no complaints have been made. All Lamps warranted to give general satisfaction, or the money relunded.

A rare opportunity is offered to any person or persons that may wish to engage in the business. Huntingdon and Mifflin counties will be sold in townships at reasonable terms to suit purchasers. A sample lamp will be forwaled to any person on receipt of retail price, \$1,50, and forwarded at my expense.

Will either sell territory or pay agonts by the day or picco. 'Agents are making from \$5 to \$15 per day, for they soll very fast. They are what every person needs. All letters will receive prompt attention.
