The attention of Farmers and other consumers of Fer-tillzers is invited to this duano, as worthy of their spe-cial notice. Its uses for soveral years in Maryland, Vir-giula and other southern States, for all crops, has given it a standard character for excellence unequalled by any other. It possesses all the quickness of Perrukan dnano with permanent qualities n.t. found in that article. 250 bis of this Guano are found more than equal to 300 bis of the losst Superphosphates. It routes the wheat erop from face to serve days earlier than the phosphates, which fact alone gives it incalentable advantages. Liberal discount to dealers. For sale by JOIN S.
