It stitches cannot be excelled for firmness, elasticity, durability, and beauty of finish.

To difficulty experienced in sowing across thick seams, ewe light and heavy fabrics with equal facility, twill Braid, Tuck, Quill, Cord, Hem, Fell, Bind, Gather, and do all kinds of Stitching required by familles and Manufactured. Manufacturers.

Manufacturers.

The most inexperienced find no difficulty in using it.

It is thoroughly practical and easily understood.

It has no springs to get out of order and will last a life-

time.

It runs easily, and is almost noiseless.

It is, the most rapid sewer in the world; making five sittlehes to each revolution.

It uses the same thread on both sides of the fabric, it oils no dresses, all its machinery being on top of the fable. Miss D. L. DAKER, Agent,
