MAINE O. K.

'LET US HAVE PEACE.'

Tuesday, 10 o'clock, A. M.

The latest news from Maine this morning gives the Republicans a majority in the State of from 23,000 to 25,000—a Republican gain over last year of from 10,000 to 12,000! Great rejoicing everywhere. Seymour and Blair gone up! Bullly!

Fearful Earthquakes.

New York, September 12.—The steamer Guiding Star, from Aspinwall brings the following:

On the 18th of August a terrible earthquake visited the cities along the coast of Peru and Ecuador, whereby thirty-two thousand lives were lost, and property valued at three hundred millions of dollars was destroyed. A rumbling sound preceded the earthquake, and the sea was terribly agitated and flooded the land for a great distance.

Aroquipa, a city of 35,000 inhabitants, passed away, scarcely a vestige left here. Only four hundred lives were lost here.

Arica, a town of 25,000 inhabitants, was also destroyed, having not a house standing; five hundred perished here.

The tidal waves forty feet high rolled with terrific roar on the shore, carrying ships farther on land than ever before known.

MARRIED.

On the 3d of Sept. by Rev. J. A. Du Moyer, Mr. THOS. M. LOGAN, of Cumminsville, to Miss MARY L. RAMSEY, of Manorbail.

DIED.

On Thursday morning, Sept. 8, '88 Mrs. MARY, wife of Thos. Hooper, near Schoolville.

Mrs. Hooper in the morning apparently was in good health; at her breakfast and died in a few minutes after. Truly "in the midst of life we are in death."

In Tallahassee, Florida, of typhoid fever and jaundice, WILLIAM T. HAMPTON, aged 29 years, 2 months and 10 days.

We are sorry to record the death of so fine, amiable and intelligent young man as the deceased. He was born in Franklinville, Huntingdon county, where his parents still reside. When 29 years of age he graduated at Duff's Mercantile College, Pittsburg, Pa., with the highest honors—won the esteem of the Faculty of that renowned institution by his close application to study.

He was a clerk in the Quartermaster's Department at Martinsburg, Nashville and Augusta, Ga., at different times; was promoted to a clerkship in the Internal Revenue Department in South Carolina under General Rollins, March 13th 1868, upon which post he spent the remainder of his term, Provisional Governor of Florida, he was appointed Notary Public of the State of Florida, by order of Gen. Meade. He proved himself a most efficient and successful Notary Public, and was much respected by all who knew him. As a companion he was kind and genial in his intercourse with us. As a public officer he was honest and incorrupt. He was a true friend to the poor, and his death has sustained an irreparable loss in his death and the community a kind and useful citizen.

He held the office of Notary Public at the time of his death. Though he died from home and in a Southern climate, yet we have assurance that his death was not hastened by any of those causes which so often afflict those who are sojourning in a foreign land. He was a true friend to the poor, and his death has sustained an irreparable loss in his death and the community a kind and useful citizen.

"None knew him but to love him, None loved him but to praise him, Friend and companion, having fallen, rest in peace. S. L. K.
