Thus it is that this community gives testimony in fa vor of the well known establishment of H. GREENBERG,

HILL STREET, HUNTINGDON.

Whilst it is not his purpose to deceive the public by clamoring "low prices and better goods" than other dealers, he simply lavites all who wish to purchase in his line of business to call and satisfy thomselves that with him a patren once gained is never lost, that is, "the proof of the pudding is in the tasting of it." He has just received his winter supply of

The attention of Farmers and other consumers of Fertilizers is invited to this Gunne, as worthy of their special notice. Its use for several years in Maryland, Virginia and other southern States, for all crops, has given a standard character for excellence unequalled by any other. It possesses all the quickness of Peruvian Gunne with permanent qualities not found in that article. 250 bis of this Quane are found more than equal to 300 bis of the best Superphesphates. It ripens the wheat crop from free to exert days earlier than the phosphates, which fact alone gives it incalculable advantages.
