But such as remain can be saved fo usefulness by this application. Instead of fouling the hair with a pasty sedi-ment, it will keep it clean and vigorous. ROPES, Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted

As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antiolet for them. Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely curred, and the patient restored to sound health by the Cherry Poctorat.
