

BOOK NOTICES.

FRANKLIN ALMANAC.—The Old Franklin Almanac for 1899, published by A. Winch, 505 Chestnut Street, Philadelphia, is before us. This Almanac contains, exclusive of the Actual Astronomical Calculations, a great variety of Statistics, Chronological Tables, and useful matter, never before introduced into a work of this kind, and will be a valuable acquisition to every household, store, counting-room, manufactory, office, and place of business. For sale at Lewis' Book Store—price 20 cents.

A CHALLENGE.—We have received the December number of "Merry's Museum," for young people, and old people, too, who have not forgotten that they were once young. The Publisher, Horace B. Fuller, Boston, claims that "Merry" is the best magazine of its kind issued in this country, and challenges comparison. Our readers can decide this point for themselves by sending to him two three-cent stamps for a specimen. The January number begins a New Volume, which will be further enlarged and improved. Terms, \$1.50 a year in advance.

THE NEW ECLECTIC MAGAZINE.—We have on our table this elegant publication, which has received and still receives the highest terms of praise from the press. We can cheerfully add our testimonial as to its merits for it is one of the best magazines published. Its articles are compiled with great care and apt adaptation to the refined tastes of all. It is published by Trumbull & Murdoch, 54 Lexington Street, Baltimore. Single subscription \$4.00 per annum; single copy 30 cents. During the year, which commences with January next, it will give over 1500 pages of matter on every variety of topic, and contributed by the most eminent of living writers.

A NEW PAPER.—Dettigill, Bates & Co., will issue on or before January next, the first number of a Rural Paper—to be published thereafter weekly, and to be devoted to all that pertains to Country Life in its broadest sense. It will not be partisan or sectarian. It will be called "Heart and Home," and will be under the general Editorial charge of Mr. Donald G. Mitchell; while its Home and Fireside Departments will be subject to the supervision of Mrs. Harriet Beecher Stowe, who will also contribute regularly to every number. A large corps of associate Editors, of high reputation in their special departments, has been organized in support of this enterprise; and no labor or expense will be spared to make the paper—in subject matter as well as in illustrations—worthy of a place in every household in the land.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and efficient for preserving the hair. Faded or gray hair is restored to its original color with the gloss and freshness of youth.

This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are not destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a greasy ointment, it will keep clear and vigorous.

Its occasional use will prevent the hair from turning gray or falling out, and consequently prevent the use of those dangerous and deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. It wanted merely for a

HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor grease, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Price \$1.00. Sold by JOHN REED, Agent, 8616 1/2.

Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.
