HUNTINGDON, PA., Dec. 21, 1868. The ride up the Broad Top Railroad against the United States, or of adhering to their enemies during the late of the late of

the ores of this region.

At Bloody Run, a village on the old turnpike, and near the present term ination of the Railroad, there are large deposits of hematite ore, in close proximity to the fossil vein, and lift Lemi in which is an in the fossil vein, and lift Lemi for the proximal special control of the region of the reg Thompson, Mason, Slidell, and all others who were directly or indirectly or indirectly

"Tussey"—on the Pennsylvania Rail- TUNIATA STEAM PEARL MILL road, ten miles west of Huntingdon The discovery of much of this iron ore is due to the necessity of supplying the rolling mill at Johnstown whose operations have been so extensive that the original source of supply near the works have become nearly exhausted; and besides a better qualiwest sud of the borough or the strength of business men good condition and worthy the attention of business men and capitalists.

Besides the Mill there is on this lot of ground a good Frame Building calculated fur a dwelling or store room. Possession given on the 1st of April next or sooner if desired by the purchaser.

Terms made known on the day of sale.

JJIN M. McCahlan. ty of material became necessary order to manufacture the steel rail now so much in demand.

that the rod must be applied to save the child. The wisdom of several centuries ago is repudiated, and there are those, neither few nor foolish, who insist that flogging, ospecially in schools is neither healthy nor productive of good morals.

It is a very difficult question for solution by any general rule. School systems vary, and school governments must be varied to meet the require in having a school is to have one good enough to accomplish the education of the pupils. To have such a school the pupils. To have such a school there must be adopted a system of there must be adopted a system of there must be adopted a system of the road is to have one good there must be adopted a system of the road is to have one good the pupils. To have such a school there must be adopted a system of the road is to have one good the pupils. To have such a school there must be adopted a system of the road is to have one good enough to accomplish the education of the pupils. To have such a school there must be adopted a system of the road is to have one good enough to accomplish the education of the pupils. To have such a school there must be adopted a system of the road is to have one good enough to accomplish the education of the pupils. To have such a school the road is to have one good enough to accomplish the education of the pupils. To have such a school the road is such as the discussed at Bedford, as well as other places I have visited, and saved the pupils. The United States Senator question is much discussed at Bedford, as well as other places I have visited, and saved the pupils.

**Minimal to cannot to the cannot discuss to the cannot denough to accomplish the education of the road is to have one good enough to accomplish the education of the pupils. To have such a school the road is to have one good enough to accomplish the education of the pupils.

**The United States Senator question is much discussed at Bedford, as well as other places I have visited, and the pupils are the first place of the state, all the held

there must be adopted a system of as other places I have visited, and government which shall most perfect by insure good order, obedience and interest. So much it is easy to affirm, is everywhere speken of as possessing in the control of sentiment in favor of Mr. Scott; he interest. So much it is easy to affirm, that that

seg. The Penipsylvania. State Legislature will meet to day, Tiesday On any Tiesday, the election of a United States Seastor will take place, and it is easy to affect the state of the pening pening and the correct and the states Seastor will take place, and it is easy to affect the state of the pening pening and the correct against the state of the correct against the state of the pening pening are in politics, therefore, we shall and the pening pening pening and the correct against the state of the pening pening pening and the correct against the state of the correct against the correct against the state of the correct against the state of the correct against the correct agains and deposited in a place where they remain concealed to this time, and will probably not be uncarthed in this generation. Mr. Pollard mentions the case of a single secret document which he was once permitted to see in Richmond, wherein certain parties offered to assist the Confederacy by supplying its Western armies for a whole year from the granaries and magazines of the North. Such important secret page 10 miles and other accret page 10 miles and large towns having a well organized system of public schools the school authorities may substitute decrees of bunishment in case of persistent offending. There must be rules, and every rule must be rules. But in the country, where an adequate penalty for its breach. But in the country, where an adequate penalty for its breach.
