The National Debt is officially eported at \$2,556,205,658, showing an pparent increase of over Fifteen Milions during January. All know that this is occasioned by the payment, on the 1st of January, of six months' interest on a large portion of the Debt, and that most of the apparent increase is as illusory as was the decrease reported for December, when little or no interest was paid. Still the fact renains that we owe more and have less eash on hand than a month ago, and that the issue of new bonds to the Central line of Pacific Railroad is keeping the market gorged with Government securities at prices far below their real value, and that we are constantly importing fabrics and gewgaws that we fight and a wedding." ought to do without, and meeting the bills by exporting and selling at twenty per cent. discount six per cent. bonds which our children and grand- Duke of Puglia. children will have to pay.
