Ayer's

Hair Vigor, For restoring Gray Hair to its natural Vitality and Color. A dressing which

ened, falling hair checked, and baldness often, though not always, eured by its use. Nothing can restore the hair where the follicles are destroyed. or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can uly benefit but not harm it. If wanted

nerely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
