JAMES THOMPSON." Paster of the Tenth Baptist Church, Philadelphia.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, or a line in all cases declined; but with a clear cas and particularly in my own family, of the usefulness of Dr. Hoote land's German Bitters, I depart to ronce from my usual course, to express my full conviction that, for general debuty of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to these who suffer from the above causes. I have derived decided benefit from the use of Hoof and's Gorman Bilters, and feel it my privilege to recon-nend them as a most valuable tonic, to all who are suf-eing from general debility or from diseases arriving from the manager of the lives.

Deer are not caught by traps, but if it had been a deer, he would not have crossed this high hill, but would have gone back by way of the ravine, and the load would have made his steps still more tottering."
