Ayer's

Hair Vigor For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable. healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thick-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for asefulness by this application. Instead of fouling the hair with a pasty sedi-ment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted

merely for a HAIR DRESSING. nothing else can be found so desirable Containing neither oil nor dye, it does not soil white cambrie, and yet lasts

long on the hair, giving it a rich glossy lustre and a grateful perfume. Prepared by Dr. J. C. Aver & Co., PRACTICAL AND ANALYTICAL CHEMISTS

LOWELL, MASS. PRICE \$1.00. JOHN READ, Agent.

Aver's Sarsaparilla, FOR PURIFYING THE BLOOD.

disorders, which were asgravated by the scroftpous contamination until
they were painfully afflicting, have been radically
cured in such great numbers in almost every section of the country, that the public scarcely need to
be informed of its virtues or uses.
Scrofulous poison is one of the most destructive
enemies of our race. Often, this unseen and unfelt
tenant of the organism undermines the constitution,
and invites the attack of enfechling or fatal diseases,
without exciting a suspicion of its puesence. Again,
it seems to breed infection the oughout the body, and
then, on some favorable occasion, rapidly develop
into one or other of its hideous forms, either on the
surface or among the vitals. In the latter, tubercless may be suddenly deposited in the lungs of
heart, or tumors formed in the liver, or it shows
its presence by cruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease
appear. Persons afflicted with the following complaints generally find immediate relief, and, at
length, cure, by the use of this SAIRSAPARITLA: St. Anthony's Fire, Rose or Evyspelas,
Tetter, Sait Rheum, Scald Head, Ringucarm,
Sore Eyes, Sore Ears, and other cruptions or
visible forms of Servofulous disease. Also in the
more concealed forms, as Dyspensta, Dropsy,
Heart Disease, Fits, Epilepsy, Neuralyin,
and the various Uterous affections of the museular and nervous systeme.

Suphtilo or Fenoracia and Moreurial Diseases

and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Veneral and Mercurial Discass are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhaa or Whites, Uterine Ulcerations, and Female Discasss, are commonly soon releved and ultimately cured by its purifying and luvigorating effect. Minute Directions for each case are found in our Ahnanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This, S.ARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.

PREPARED BY Dr. J. C. AYER & CO., Lowell, Mass Practical and Analytical Chemists.
