Ayer's

Hair Vigor, For restoring Gray Hair to its natural Vitality and Color.

ned, falling hair checked, and baldness often, though not always, cured by its use... Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulnessaby this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted

merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co., PRACTICAL AND ANALYTICAL CHEMISTS, LOWELL, MASS.

PRICE \$1.00. JOHN READ, Agent. se16-1y. Ayer's Cathartic Pills,

Perhaps no one medicine is so universally required by everybody as a catharde, nor was ever any before so universally and the source of the so its composition. We have thousands upon thousands of certificates of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sagar containing preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the phood and stimulate it into healthy action—remove the obstructions of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrappe on the box, for the following complaints, which these HMs raphilly enter:—

the box, for the following complaints, which these Pills rapidly cure:—
For Byspepsia or Endigestion, Jistlessenss, Lineuror and Loss of Appetite; they should be taken moderately to stimulate the stomach and restore its healthy lone and nection.
For Liver Complaints and its various symptoms, Billious Recutaches, Nick Rendaches, Jamelica or Green Sichness, Philous Colle and Billious Ferens, they should be indictusly taken forcach case, to correct the diseased action or remove the obstructions which cause it. For Epysentery or Billions but one mild dose is generally required.
For Ephsenterial College of the Palpicker of the Palpi For Asystemetry of Lentrales, on one does is generally required.

For Ethermistism, Gout, Gravel, Palipitition of the Heart, Fain in the Side,
Back and Loins, they should be continuously
taken, as required, to change the diseased action of
the system. With such change those, complaints

usappear. For Dropsy and Dropsical Swellings the should be taken in large and frequent doses to pro duce the effect of a drastic purge.

For Suppression a large doke should be taken as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose simulates the stomach and bowels into healthy, action, restores the appetite, and invigorates the system. Hence it-to dien advantageous where no serious deranizement exists. One who feels tolerably well, often inds that a dose of these Pills makes him feel decidedly better, from their cleanising and renovating effect on the digestive apparatus.
