Ayer's

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effective for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.

This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Satisfying can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such a result can be saved for usefulness by this application. Instead of flogging the hair with a paste of lime, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and even to the hair, the Vigor can only benefit but not harm it. It wanted merely for a

HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co., PRACTICAL AND ANALYTICAL CHEMISTS, LOWELL, MASS.
