A TRIBUTE. BY MOLLIE M'C. Over them weep, And soft vigil keep,

Ah! not all of life; We live in the strife, Mor of death we die. Sweet flowers stray,

Over kindred clay,

Love strong in death—
What is like thee, Or purer can be, Outlasting the breath. Buds at their head

Fair as the dead,
Gleamed in the light— A wrath lay entwined, And shimmered and shined, Round her name bright. Fond hands had striven, Nor soon would have given E'en death his due—

When a voice seemed to say I have walked the dark way, To lead her through. The bud and the flower, Gathered above-And though death may win

But scaled their love. Strong, strong, is thy woo Oh I husband we know, Deep as:the:grave-Death comes no more When we reach the blest shore

, Bright waters 'lave'.

Oh! mother love fraught, Vith the lesson we're thught, Death not so strong, This, this, tells the length, The depth, and the strength, Heart yearning long.

Over them weep. And rost vigil keep, Silent they lie-Unbroken her rest, Her b be on her breast. Scraphs might bend

O'er their sweet tragic end Wasting a tear-Our deep grief to share, Sigh o'er their bier. "Tailings" of a Note Book.

to the Sacramento Daily Bee; as illus-

the "Tailings:" fearing to urge the pursuit farther, turned round and walked leisurely off. because Keno; had depreciated, but or continue to jest after it; has been turned round and walked leisurely off. Bob now came to the door, but did not was owing to the "new business the pleasure experienced during the Bob now came to the door, but did not collections made on all points. From the unit of the way. Keno glanced inquiring-collections made on all points. For mate so all parts of Europe supplied at the usual commission.—

Persons depositing told and sliver will receive the insame return with interest. The partners are individually liable to the extent of their whole property or all Deposits. ter. Finally when he could no longer ignore the matter, and when the cayote had got a good start and was

sleep. Bob pointed to the cayote, and turn picked out both his eyes. Bob, not put cover on his horse the moment Keno wagged his tail and capered—he like a philosopher—life in the wilder—he could see nothing but his beloved mas. ness begets philosophy—swallowed his in a few days by pneumonia. quickening his pace, Keno suddenly ed as the reigning pet. For he has a thy, therefore it is healthy to be dirty; seemed to comprehend his master's longing for meaning, and affecting surprise and delight at the discovery of the retreating cayote, started off in pursuit, rapidly at first, and then more moderately, as if husbanding his strength and wind for the brush. All at once the wind for the brush. All at once the cayotic stopped, squated on his haunches, and took a deliberate view of the lives. "Some how she never seemed situation. Act and attitude were utike expressive of utter contempt. This the other must have felt, but was too prudent a dog to give way to his feelings. Instantly Keno seemed to lose sight and seent, and with nose to the contempt. The sight and seent, and with nose to the didn't represent the searching for the trail defents by no means indicate fields. There are the recorded with impunity! ground went searching for the trail cidents by no means indicate ficilities crowded vehicles; the latter, at the right and left; forward and backward ness on Bob's part. Indeed, the con- most, can only cause fainting and but rather more backward than for trary; as in each instance it is shown nausea, while entering the conveyward. By and by, the cayote moved he loved to the last. A hankering af ance after walking briskly, lowering leisurely on, and Keno was soon again; ter pots is said to be an infallible symptic in mild pursuit. This proceeding was tome of old maidenhood; but symptoms and invery marking oriskly, lowering; a window, thus, while still, being existence again and again, until both crossed a slight ridge and were, hidden from view. The moment Keno of the symptoms, and invery marking oriskly, lowering; ance after waiking oriskly, lowering; a window, thus, while still, being exist tome of old maidenhood; but symptoms and invery marking oriskly, lowering; ance after waiking oriskly.

appearance at a point far to the right Bob S immediately went East, to deappearance at a point far to the right of that where last seen, and came slowly but dignifiedly into camp, exhibiting every sign of fatigue and exhaustion after the hot pursuit, and fierce struggle, but intimating by a knowing look and wag of the tail that he had essentially "settled the hash" of that individual coyote. Bob, a salder, but a wiser man, patted and welcomed him as usual. But this revelation shed a flood of light that made clear to him things that had hitherto been involved in mystery and doubt. Venison, rabbits, tot, had frequently disappeared from his very door, at the side of which he was wont to hang over-night the materials for the more of the gall the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations, of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed, it be natured all the other excitements and sensations of life, lest, indeed all or particular and control of the gentle sensations of the other excitements and sensations of life, lest, indeed all or particular and control of the sensations of the sensations of life, lest, indeed all or particular and the sensations of life and to visit the sall of locks. over-night the materials for the morrow's breakfast and diffier, relying for their safety on the vigilance of the faithful guardian of the camp. Finally he came to suspect Keno! He could doubt his integrity; but his prowess—nover! Well, well, thought Bob. suppose he does once in a while nip a rabbit or a venison steak, what harm? He gets cold and bungry in watching all night; and he carns it. But at last these once-in-a-while became altogether too frequent—of nightly occurrence. Keno was carrying the matter too far—presuming on good nature. Bob -presuming on good nature. Bob "Certainly, sir," replied the lady, with bad about made up his mind on the quiet dignity, "that is the work I incourse to be pursued in the premises. quired for—how much is it? "Ah I per-He would watch-catch him in the mit me," said the clerk, in his confusion; act—give him a blessed good licking— He was about to add—"to apologize"—and then present him as a token of but the lady, too quick for him, accepaffectionate regard to a beloved friend, ted the proffered volume, as also the in a neighboring camp, who had often implied apology, and said. "Ah, thank expressed a desire to be the possessor of such a prize. Indeed, it was for morning, sir' and a politic bow, left this very purpose that Bob was so, early astir on the morning of the start-ling discovery mentioned. He knew transaction. This, again suggests an now who were the thieves—knew that the enyotes enjoyed the unchallenged freedom of the camp, every night, of inquiry concerning details, have not while its trusted sentinel crouched and trembled and feared even to whimper, form a town the afficient of the camp, every night, of inquiry concerning details, have not while its trusted sentinel crouched and feared even to whimper, form a town the afficient of the camp, every night, of inquiry concerning details, have not while its trusted sentinely concerning details, have not with the camp, every night, of inquiry concerning details, have not while its trusted sentinely concerning details, have not with the camp, every night, of inquiry concerning details, have not with the camp, every night, of inquiry concerning details, have not yet been received from a cortain California. lest he should be poinced upon and that ... A lady, residing in a mountain eaten; as they had a taste of him and home, wrote to a female acquaintance evidently relished the morsels. For in Sacramento inclosing the requisite Bob now saw plainly that that was what had become of the three and a half inches off the end of Keno's tail—which amount he was found to be short one day on coming into camp. Keno thought that possibly her mountain never opened his lips about this mat friend might have intended to specify ter. For a few days he were that appendage carefully concealed between his legs, fondly fancying that the 'cur-

tailment was not noticed generally or particularly. "And why, after find-ing him such an arrant coward, such We take the following from a letter the Sacramento Daily Bee, as illus"Well," replied Bob, laughing and trative of Western life, but more particularly to gratify our friend (and everybody's friend, as well) Bob Stew for the thoroughness of his humbug, boirs children art, who is a conspicuous character in and the very large per centage of bu man naturo generally which he mani-Wasii and canne seat chairs, cupboards, gilt and rose-wood monding for initror and picture frames, and a variety of articles not nearthough, apprices that cannot fail to be satisfactory.
