"In reading, small children repeat the same word till they can command it in the sentence, and then they read their arms with the book under the

sugar for a whole family. \$18.26 a year. And this amount invested in a savings bank at the end of each year, and the interest thereon at six per ct., years amount to more than \$670 .--Enough to buy a good farm in the

Five cents before breakfast, dioner and supper; you'd hardly miss it, yet, fifteen cents a day; \$1.05 per week.---Enough to buy a wife or daughter a dress. \$54 60 a year., Enough to buy a small library of books. Invest this as before, and in twenty years you have over \$3,000. Quite enough to buy a good house and lot. Ten cents each morning; hardly worth a second thought; yet with it you can buy a paper of pins or a spool of thread.---Seventy conts per week; 'twould buy several yards of muslin. \$36.50 in one year. Deposit this amount as before. \$2.10 a week. Enough to pay for a Bays, learn a lesson. . If you would

he a happy youth, lead a soher life, and be a wealthy and influential man, instead of squandering your extra change invest in a library or a savings bank. If you would be a miserable youth, lead a drunken life, abuse your chil-
