SPANISH HAIR DRESSER FOR PROMOTING THE GROWTH, BEAUTIFYING THE HAIR, FOR PROMOTING THE GROWTH, BEAUTIPING THE HAIF, And rendering it dark and glossy. No other compound possesses the peculiar properties which so exactly suit the various conditions of the human hair. The use of this oil as a hair dresser has been universal in cvery section of the country in the Spanish Main for centures.—So preparation of art could give that elegant luxuriance and abundance of hair which have so often been the admiration of travelors in Spain. This oil is highly and delicately perfumed, forning an article univaled in excellence and upon which the Spanish people for many years have set its seal of enduring approval.

McGUIRE'S Mexican Wild Flowers Shampoo Lotion

For removing dandruff and scurf from the head, whiten ing and perfuming the skin. This article is entirely different from any lining of the kind over rifered in this country and is warranted free from all polisonois substances. It is a studied to the substances in a studied lotton was used by the Emperor Blagingian, and Empress Caitotta of Mexico, and universally used by Mexicans for three houdred years. As a wash for the head—it is cooling, cleaning and refreshing.—When thus used it at once relieves headach.

McGUIRE'S . WILD FLOWERS FOR THE TEETH. All those who are in favor of white teeth and a pleasant and perfumed breath, should at once use McChuire's Wild Plowers for the Teeth. All these preparations are put up in the inpust elegant and ornamental manner, we make no exception in saying that they are an ornament to a lady's tolict table, and fone complete without them. Warranted satisfactory or money refunded. Dealers will be this in mind. Sold by all respectable Druggists in the United States and Canadas. Address orders to

us our honors, and account to them for our stewardships. I carnestly desire that neither you nor I may be condemned by a free and enlightened to withhold from circulation all curtifications are by a great and support to the people of Cuba in their pending struggle that they manifested throughout the previous struggles between Spain and her former colonies, and useful and thoughout the previous struggles between Spain and her former colonies, and the support to withhold from circulation all curtifications and sympathies and sympathies and sympathies that had been sustained by this Government, as throughout the previous struggles between Spain and her former colonies, and of the grave wrongs that had been sustained by this Government, as the contest of the people of Cuba in their pending that they manifested the contest of the people of Cuba in their pending to the grave wrongs that had been sustained by this Government, as the contest of the people of Cuba in their pending the pending that had been sustained by this Government, as the contest of the people of Cuba in their pending the pending that had been sustained by this Government, as the pending that they manifested condemned by a free and enlightened constituency, nor by our own conscionces. Emerging from a rebellion of gigantic magnitude, aided as it was by the sympathics and assistance of nations with which we were at peace, eleven States of the Union were four than the citizen has endured for six years ago left without a legal State.

Although your efforts have not met the Government to pay these bonds and establishing their present dependifference, not a word was found in the

and the Legislature met and perform- or by any Assistant Treasurer of the ed could be received by Cuba, was been wisely taken, in the interest of methods. I suggest this withdrawn. It is hoped that the good peace, and as a necessary step in the sequently, however, in violation of the subject for the consideration of Concentitation they had just ratified, as gress; also, simultaneously with this, ince decided by the Supreme Court the propriety of redeeming our currency, as before suggested, at its mar
of the State, "they unseated the color
of the State, "they unseated the color
rency, as before suggested, at its mar
illegal expeditions against Cuba have power, are more at ease under a greature." of the State, "they unseated the colored members of the Legislature, and
ket value, at the time the law goes inadmitted to seats some members who
to effect, increasing the rate at which
to effect, increasing the rate at which are disqualified by the third clause of currency will be bought and sold from the fourteenth amendment to the con day to day, or week to week, at the stitution, one article which they themselves had contributed to ratify." Unment pays upon its bonds.

The rejection of the treaty of the neutrality laws in good faith, no matter how unpleasant the task, grave sense of the grievance they have in made so by the sufferings we have endured from lack of like good faith to was followed by a state of public feel; of selves had contributed to ratify." Under these circumstances, I would submit to you whether it would not be

wise, without delay, to enact a law

other expenses of the Government, discal year ending June 30th, 1869, to are more than ample. The loss of our commerce is the only result of the late rebellion which has not received sufficiently and the expenditures, bounties, &c., to be \$370,943,747, and the expenditures, brightness of the Barrebellion which has not received sufficient which has not received and received which has not received and received wh rebellion which has not received sufficient attention from you. To this subject I call your earnest attention. I will not suggest plans by which this object may be effected, but I will, it nocessary, make it the subject of a special message during the session of Congress. At the March term Congress by a joint resolution authorized the Executive to order elections in the States of Virginia, Mississippi, and Texas to submit to them the constitutions either entire the Cantraction of the Executive. Under the Cantraction of the Cantraction of the currence as to end and Estates would be calculated by law. To lock up the surplus in the Treasury and withhold the constitutions either entire or in separate the constitutions either entire of the constitutions entire the constitution of the Executive. Under the constitution of the Executive. Under the constitution of the Executive that the constitution of the Executive the constitution of the Executive the constitution of the Executive the entire favore the constitution of the Executive the cons rate parts, to be voted upon at the discretion of the Executive. Under this authority elections were called.—
In Virginia the election took place on the filly 1869. The Governor and Lieutenant Governor elected have been installed. The Legislature met and did all required by this resolution, and by all the reconstruction acts of Congress, and abstained from all doubtful authority. I recommend that her Sonators and Representatives be admitted and the State be fully restored to her place in the family of States.

The Treasury and myself heartily condition to the Treasury in the United States and all independent nations on this continent. FIRST ANNUAL MESSAGE

OF

OF

ULYSSES S. GRANT,

PRESIDENT OF THE UNITED STATES,

Read in Congress, Monday, Dec. 6th, 1869.

Elections were called in Mississippi mendations of the Secretary of the Treasury for the creation of the office of Commissioner of Customs Revenue, for the increase of salary to certain the classes of officials and the substitution place, but the result is not known. It of increased national bank circulation is to be bound that the ages of the Lecture of the control of increased national bank circulation is to be bound that the ages of the Lecture of the control of increased national bank circulation is the control of the secretary of the secretary of the secretary of the secretary of the control of the secretary of is to be hoped that the acts of the Le to replace the outstanding three per To the Senate and House of Represengislatures of these States, when they tatives:—In coming before you for the meet, will be such as to receive your to his recommendation for the repeal first time as Chief Magistrate of this approval and thus close the work of of the laws allowing shares of fines, great nation, it is with gratitude to reconstruction. Among the evils grow penalties, forfeitures, &c., to officers of the Giver of all good for the many ing out of the rebellion, and not yet the Government and to informers.

the Giver of all good for the many benefits we enjoy. We are blessed with peace at home, and we are without the course of the abundant support of five hundred millions of people, and abounding in every variety of useful mineral in quantity sufficient to supply the world for generations with abundant crops; with a variety of climate adapted to the production of every species of the earth's riches, and suited to the habits, tastes and requirements of every live in the course of the many ing out of the robellion, and not yet referred to, is that of an irredeemable currency. It is an evil which I hope out entangling alliances abroad to for referred to, is that of an irredeemable currency. It is an evil which I hope out entangling alliances abroad to for our entangling alliances abroad to for built is an evil which I hope out entangling alliances abroad to for our entangling alliances abroad to informers. The office of Commissioner of Internal Revenue is one of the most arduous and responsible under the Government. It falls but little, if any, short of a Cabinet position in its importance and responsibilities. I would ask for change of fixed and unvarying value.

RESUMPTION OF SPECIE PAYMENTS.

This implies a return to a specie basis, and no substitute for it can be devised. It should be commenced now, and responsibilities. I would ask for it, therefore, such legislation as in your judgment will place the office upon a footing of dignity commensurate with its importance and with the character and qualifications of the class of men required to fill it properly.

RELATIONS WITH SPAIN—CUBA.

As the United States is the freest of

production of every species of the earth's riches, and suited to the habits tastes and requirements of every living thing; with a population of 40,000, 000 of free people, all speaking one language; with ficilities for overy mortal to acquire an education; with institutions closing to none the avenue seo fame or any blessing of fortune that may be coveted; with freedom of the pulpit, the press, and the school with a revenue flowing into the national treasury beyond the requirements of the Government. Happily, harmony is rapidly being restered within our with a revenue flowing into the national treasury beyond the requirements of the Government. Happily, harmony is rapidly being restered within our with a revenue flowing into the national reasury beyond the requirements of the Government. Happily, harmony is rapidly being restered within our with a revenue flowing into the national treasury beyond the requirements of the flowing property of the courts of the flowing property of a nation with which we ware observed with a revenue flowing into the national independence unequaled by that of any other power. These besines, and countless others, are entracted to your care and mine for safe keeping for the brief period of our tensured to your care and mine for safe keeping for the brief period of our tensured to your care and mine for safe keeping for the brief period of our tensured to your care and mine for safe keeping for the brief period of our tensured to your care and mine for safe keeping for the brief period of our tensured to your care and mine for safe keeping for the brief period of our tensured to your care and mine for safe keeping for the brief period of our tensured to your care and mine for safe keeping for the brief period of our tensured to your care and mine for safe keeping for the brief period of our tensured to your care and mine for safe keeping for the brief period of our tensured to your care and mine for safe keeping for the brief period of our tensured to your care and mine for safe keeping

with the success in all particulars that at any period after the expiration of might have been desired, yet, on the whole, they have been more satisfactory to the face. The time has already expired to the course of the family of nations. These dependencies are no longer regarded the unfriendliness of the course of the family of the course of the course of the family of the course of the ry than could have been reasonably when a great part of them may be tanticipated.

RECONSTRUCTION.

The time has already expired dependences are no longer regarded when a great part of them may be tanken up, and is rapidly approaching pean power to another. When the ence, which had so deeply and universal when all may be. It is believed that present relation of the colonies ceases sally impressed itself upon the people. Seven States which passed ordinan- all which are now due may be replace they are to become independent pow- of this country. Believing that a conces of secession have been fully restored to their places in the Union. The not exceeding four and one half per of self-control and relations with other and inadequate in its provisions would eighth (Georgia) held an election, at which she ratified her constitution, republican in form, elected a Governor, members of Congress, a State Legislature, and all other officers required.

The hot exceeding four and one half per of selections with other powers. The United States, in order to become due that they may be replaced to put a stop to bloodshed in Cuba at the provisions which is and in the interest of a neighboring alone is consistent with the relations which it may be necessary to authorize the interest to be paid at either of three bring the existing contest to a terminate of the United States and Great and the content of the Content of the Content of the Conte The Governor was duly installed, or four of the money centres of Europe, ation. The offer not being accepted Britain, I regarded the action of the TARIFF—INTERNAL TAXATION.

wards us by other nations. On the ing on both sides which I thought not in the subject of the tariff and intersection of the subject of the subject of the tariff and intersection of the subject of

ister to the Republic of the United tain authority for a survey by this Government in order to determine the practicability of such an undertaking, and a charter for the right of way to build, by private enterprise, such a work, if the survey proves it to be practicable. In order to comply with the agreement of the United States as to a mixed commission at Lima for the adjustment of claims, it became necessary to send a commissioner and secsary to send a commissioner and seg-retary to Lima in August last. No ap-propriation having been made by Con-gress for this purpose, it is now asked that one be made, covering the past and future expenses of the commission. The good offices of the United States

to bring about a peace between Spain and the South American republics. with which she is at war, having been accepted by Spain, Peru, and Chill, a congress has been invited to be held in Washington during the present wingter. A grant has been given to Europeans of an exclusive right of transit over the Territory of Neowiking the over the Territory of Nicauragua, to which Costa Rica has given its assent, which, it is alleged, conflicts with the vested rights of citizens of the United States. The Department of State has now this subject under consideration. The minister of Peru having made representations that there was a state of war between Peru and Spain, and that Spain was constructing in and near, New York thirty gunboats which might be used by Spain in such a way as to relieve the naval force in Caba and also to operate against Peru, or, ders were given to prevent their de-parture. No further steps having been taken by the representatives o the Peruvian government to prevent the departure of these vessels, and I,

a very fine assortment of eleven States of the Union were four years ago, left without a legal State Government A national debt has been contracted; American commerce was almost driven from the seas, the industry of one-half of the country had been taken from the seas, the industry of one-half of the country had been taken from the control of the capitalist and placed where all labor rightfully belongs, in the keeping of the labor or. The work of restoring State governments loyal to the Union, of protecting and fostering free labor, and providing means for paying in interest on the public debt has received ample attention from Congress. Although your efforts have not mere although the edition of the citizen has endured for the insurgence of the guiltie to justify a recognition of belligerency. The peniciple is manifested, however, that this nation is useful peniciple is manifested, however, that this nation is usual purious in that this nation is usual purious to justify a recognition of the insurgence of the country; that wise, without delay, to enact a law authorizing the Governor of Georgia to convene the members originally our attention. The revenues of the convene the Legislature, requiring each member to take the coath prescribed by the reconstruction acts, and now to be admitted who are ineligible under third clause of the fourteenth amendment.

The freedmen, under the protection which they have received, are making rapid progress in learning, and no complaints are heard of lack of industry on their part when they receive fair remuneration for their labor.

The means provided for paying the interest of the public debt, with all other expenses of the Government, are more than ample.

The subject of the tariff and intersical will necessarily receive to authorize the tariff and intersical will necessarily received to convene the members originally your attention. The revenues of the high seas by a Spanish frigate and pour as prisoners to Cuba. Representations of these facts were made to the Spanish of these facts were made to the Spanish Government as soon as official information of them reached Washington. The two passengers were set at liberty, and the Spanish government assured the United States that the captain of the frigate in making the capture had been in a four or a four and a half per cent. The two passengers were set at liberty, and the Spanish government assured the United States that the captain of the frigate in making the capture had acted without law; that he had been reprimended for the irregularity of his conduct, and that the Spanish authorical the main transition of the solution of this momentons.

The means provided for paying the interest of the public debt, with all other expenses of the Government, are more than ample. The loss of our rate of the frights or the triple of the frights or the solution of the solution of this momentons of the seated washington.

The two passengers taken from it and carried the spanish of the States to Great Britain so instructed the States to Great Britain so interested th

The question of renewing a treaty
