THE FIRM OF LEAS & MCVITTY, L have leased the large five story Leather He NO. 432, NORTH THIRD STREET, PHILADELPHIA, And intend doing a Hide and Leather Commission Busi

Sin perhaps is not more universal, but ed great men, those learned men; men more glaring Yet is not this consciwho are the first to propose a "toast to ousness of the reign of sin, this recogfair women," men who are loudest in nition of error,-a single gleam from their praise of the angel woman ; but the better future? Is it not a voil. who are silent, when it comes to the practical use of dollars and cents-that vision, we see the coming period, pers, rewarding her financially, the same fected by the changes and evolutions as man for the same service. Men

of progress ? who are clamorous in their appeals to keep the tender feet of woman from off the highway of public life; but who forget that in the by-ways, the desert-Then there is Fashion, ever on the rack of censure. "The styles are ri-diculous." Just as though the dress d corners, are women to be found, whom these men with all their theory less moderate mode. Yet our great,could not well call the angel woman. and yet they are women, just such as

and yet they are women, just such as it possible for any woman to become, weighed down by change, and a series of deastrous circumstances. Woman, who, had their education not been so to be active workers, instead of mere o be active workers, instead of mere to be active workers, instead of mere adorning appendages, would never have fallen to such depths. These those wise men-who pay much at-those wise men-who pay much at-mantic story a Providence paper is re and 6 lie hopelessly buried in the ruins. men are prolific of reasons who Wosponsible : tention to the head, little to the wardnan's Rights should not be tolerated. robe; who are eternally deploring the "Woman is apotheosized, she is a star, a flower, a thing of beauty, and men lift their weary cyes, and bless God that the vision is real and can be theirs. But take them from this emi nence, allow them to tread the jagged and jutted path that men do, and the glory of the Ideal woman, is palled in the grey mist of the sordid." This sort of reasoning sounds very beautiful; a budget of magnificent noth-

ings. These wen are the last to recognize the fact, that the only way to rescue the helpless, desolate; poverty-stricken woman from the thousand perils that beset her, or to prevent her rom becoming an object of pity-is to educate her mentally, morally and

physically, to think, reason and act for herself; should she be thrown on her own resources, I am afraid too, that these men make their high trib. should be censured it is discrimina. There sho met George Peabody, then, the bope that some of the persons in ute to woman a clock to hide their tion and moderation we need. Is it comparatively speaking, a young man, the cave might be saved. There was real feelings. I may err in this; I trust not the fault of home education? Are but one who was already making his not, however, the faintest probability I do. Yet I cannot help wondering the parents in part responsible for mark, and whose wealth was begin-whether there be not neath all, a little the errors of the present day? Are ning to pour in on every side. He have back the failed there buried the prosent day? selfishness? They have held the field of intellect so long, they doubt wheth-should be children still? Again, some ever saw her was not?) with her grace, Trains are running from Hazelton er they can grant more than a corner who will ever remain children as far her winning ways, her exceeding loveto their sisters. They have so long as actual discipline is concerned ?-- liness, and, after a while, he proposed and will continue to do so until all the thought woman a dear, little plastic Knowledge is a great thing, a glorious there is the wide Atlantic, but after bodies are recovered, which will be some time yet, as it is still dangerous to enter on the work of rescue because of the distance of the distanc are willing she should stand on advice given to the world, not enough wishes of her friends, perhaps to the of the earth still continuing to fall in the border-line of the world of Profes-sion and Literature, but not on the taught to discriminate between the can tell? Who can fathom the heart The excitement is very great and is arona, not as peers, not as aspirants, bighest sense of right and wrong? Is of a young and heautiful maiden? She

energy, the enterprise, the changes, ago a small hole was made by the fallthe events, the progress that charac-terize the ago. It is not that the times the two ill-fated houses. The residents of houses Nos. 3 and do not suit the people, but that the through which with our imperfect heads and hearts of the people, are 4, Mr. Philip Wetheran, bis family and

not trained to suit the times. ----A FEABODY ROMANCE.

The fact that the late George Pea- stance. A dog belonging to Mr. Mor rist awoke the family by its persistent body died, as he had lived, unmarried, howling and barking. One of the men of the present age were not that of a has given rise to innumerable specula-century ago, reproduced in a more or less moderate mode. Yet our great, cause of his remaining single. It is covered that the house was sinking. great grand-fathers and mothers, were generally believed that at one time he He immediately gave the alarm, and

They comprise Mr. Schwenck, his wife More than thirty years ago, in the a son of nineteen years, a daughter of shallowness of woman as displayed in her love of dress, who condemn it to ers, John Kingsbury, was one of the far-famed school of the prince of teach-and an infant. This comprised one far-famed school of the prince of teach-and an infant. This comprised one the world as profoundly weak, & super- fairest of all the fair daughters of Pro- family. The other consisted of Mr

the world as protonnally weak, a super-ficial—if they see a woman they love, clothed in ordinary, with little taste, little regard to outward adornment, the ideal woman fades, and with it generally, the ardor and enthusiasm of their lovely little a beautiful work of complete laws of a super-termine the intermediate laws and with it generally, the ardor and enthusiasm of their lovel little a beautiful work of complete laws of a super-termine the intermediate laws of complete laws of a super-termine the intermediate laws of little and intermediate laws of the lovely little and intermediate laws of the laws of of their love; like a beautiful work of youthful affections to a young man dead. But the report is very doubtful art—they may weep over the cost, but adore the effect. Women love But before marriage had consummated authority. So far it has been found beautiful things, and men, spite of their happiness adversity came upon impossible to reach the dead bodies of

all, fall over our lives, like ripples of sunshine, causing much of its bright-ness. There are a host of other things, con-demned as belonging to the age. But it is not the actions in themselves that the going, as I said before, to Europe, elsendthe actions in themselves that

every hour to the scene of the disaster

The excitement is very great and is increasing. Families in the vicinity BRUSSELS,

they are girls who defy misfortune... is no tower of safety, save the Omnp-bagain, there are few women having happy homes, or anticipating a happy wedded life—who are extremists in this question. But after all, it's the love the light, which though crossed the normal source life and brought for the light, which though crossed the normal source life and brought for the light, which though crossed the normal source life and brought for the light, which though crossed the normal source life and brought for the source life and brought for the light which though crossed the normal source life and brought for the source life and brought for the light which though crossed the normal source life and brought for the source of the source life and brought for the source of the source life and brought for the source of the source life and brought for the source of the source o TINGS, and FLOOR OIL CLOTHS
