RED STORE. In calling the attention of the liadies to our Starch, they will find that it economizes labor, produces a variety.

Ever offered in central Pennsylvania.

It is well known that a merchant who deals entirely in one line of poods buying largely from manufacturers is enabled to give his customers advantages in prices and assortment (in that line of goods) that are not to be found in stores professing to do all kinds of business.

I shall aim therefore to make it the interest of all in want of the above goods, to buy at the regular Carpet and Oil Cloth Store.
