On the Wing. Carlisle has a four-legged chicken.

Mifflin wants to enlarge its grave-yard. Always in season-paying the printer. 'Get your horse-bills printed at this office. A case of twenty years standing--a book-

We hear no more of "Shoo Fly," and don't expect to hear of it till next July. Bedford has a firm styled E. M. Fisher and Babies. That sounds home-like.

Scranton and Alteona each want the State Fair. Let the latter have it.

Easter falls on the 17th of April. If the hens don't do better we'll have few eggs. Bedford had a \$1500 fire last week, which consumed a carpenter shop and contents. No notice, as we could observe, was taken of St. Patrick's day, in this borough.

Southampton township, Bedford county, has a circulating library of 275 volumes. Tyrone has no lawyers. Here's a chance for some of the "limbs" of Huntingdon.

Michael Keath died in the Blair county poor house on the 10th inst., aged 104 years. After April 1st, a supervisor, a floating gang and a wood train will make their headquarters in Huntingdon.

Rev. J. H. Clarke has resigned as pastor of the Presbyterian church of Tyrone, in consequence of ill health

Howard B. Jeffries, formerly of the Mt. Union Times, has taken charge of the Fulton Republican, Harry Shaffer retiring. The chap who remarked, "Still I Love

Thee," changed his tune after marriage to "I love thee still"-but she wouldn't be still. Oley Robinson, a colored man in this tinue the chances for its recovery are place, while chopping wood a few days ago, greatly lessened.

cut a piece out of his right foot with the ax. The school directors in many townships in neighboring counties are getting up spelling jackets the trouble.

Our Democratic friends seeking office must not console themselves with the belief that landlord shall prove that the term is the colored vote will be light-for how can fully ended, and the three months' the colored vote be light?

Now is the time to trim trees and grapevines. Persons who have good, bearing fruit had not fully ended until March 25th, trees and productive grape vines should look after this important matter at onco.

A young man not far away, who is en-A young man not far away, who is enthe three months' notice was complete gaged to a Miss Kate —, alleges (so angelland fully ended. The Court also reafic is she) that she nearly suffo-Kates him firmed the rule that when by any act with her beauty. We pity his case.

Judy thinks the very latest things out are the street lamps. They may be in London. but here "fast young men" are out after the street lamps are extinguished.

-An exchange advises ladies to keep on wearing big, fat chignons, as they will save pends upon the particular wording of the cranium from being broken when they the act of March 24th, 1863. the cranium from being broken when they tfall. That depends upon how she falls.

The Bedford Gazette, a Democratic newsseldom you find a Democratic editor so frank.

him very severely, one rib penetrating the right lung.

The aggregate amount of gold produced in the United States from 1848 to 1869 is shown to be \$1,071,451,461-which would be just enough to make many a self-styled "poor printer" feel rich.

The blue-birds "poured their sweet melodies" in our cars last week, and filled our brains with thoughts of spring chickens, frog warbles, cricket carols, and sich. Good birds, come again.

The county-seat of Cambria county will not be removed to Johnstown, in consequence such an extent that it was necessary of treason. That must be the interpretation of the word "Judas," trimmed in black, in

the last Tribune. The Tyrone Herald says a man named Rohrer committed suicide at Huntingdon. Look again, and you'll find we said Harrisburg. Don't give Huntingdon, wicked as it

may be, credit for more than it deserves. The Juniata Ministerium, consisting of the pastors of the Reformed church of Alex. coal wharf on Saturday last. andria, Huntingdon, Martinsburg and Altoons, meet to-day in Altoona. Revs. Love, of Alexandria, and Steckel, of this place, are each to deliver sermons,

It is said that the physicians of Lewistown boy who had broken his leg, because he was poor. If such is the case, the people should raise a subscription for the doctors and pay their fare to Havti.

Dr. Gleason has talked himself into great notoriety in this place, and many of the afflicted ones have flocked to him for cures. Truly, as he often quotes, "Knowledge is before May 1st. power," but there are few who make as much use of it as the Doctor.

A pretty girl not a thousand miles from there said recently: "If it was wrong for Adam to live single when there are the said recently." If it was wrong for etc., at moderate prices. He also Adam to live single when there was but one manufactures the choicest plain and Adam to live single when there was but one woman on earth, how guilty are old backed lors with the world full of protty girls."—

There's a hint groulemen.

Adam to live single when there was but one manufactures the choicest plain and fancy Candies, and furnishes dealers at cheaper rates than the same can be so far; all are warranted. McLanahan, There's a hint, gentlemen.

Editors Globe-At a meeting of an ssociation; some time since, a resolu- Manners," and treats it in a most senion was introduced, proposing to sible manner. We give a summary make a change in the time of holding | We hear much said about a becomin conventions, so that instead of conve- behaviour in the house of God; and it ning four times in a year, or quarterly, is laid down that one should be devo he meetings should be held three ted and reverential in church. But times a year. The language of the will this justify a man in keeping his

any word to fit the place. We have "tri-weekly" deficed three times a rious suffixes, signifying three in one; why not tri-annually, and define it three times a year, with as much propriety as semi-annually, twice a year? But the "best sheakers and writers" have not used it; there is no "tri-annually" in the lexicon, hence the diword that tonvoys the idea? "Brevity is the spice," &c. Please let us be nformed through the Globe, and oblige LINGUA.

Birmingham, March 14, 1870. Although, as our correspondent asserts, there is no "tri-annually" in the lexicon, nor any word, as we know of, that signifies three times a year, we have the Ten Commandments set upcan not see why, in this word coining on the wall, in sight of the whole con age, the word "tri-annually" would not be appropriate, and prove as significant as the words "semi-annually" or "quarterly." If we had occasion to use a term to imply three times a to commit in church time? year we would say "tri-annually" as we now use the word "tri-weekly" to signify three times a week. An Epidemic.

A disease, something similar to the

whooping cough, is prevailing among many of the children in this borough and vicinity, and some have died from the effects. On Sunday a week five children were lying dead from this disease, and since then a number more bave died, and the total within three weeks may be estimated twenty two. The symptoms of the disease are a cough, which brings up a greenish phlegin, and if this is not removed. it goes back and settles upon the ings causing inflammation, and the child at this stage seldom recovers .-One of our physicians informs us that the number he has already treated for the different forms of this disease would reach about two hundred: of this number eight have died; so that it would appear the infection has spread with great rapidity. A child attacked with this malignant disease should be at once placed under the care of a physician, as if left to con-

term being the 24th of the following March. The law provides that the previous notice has been given. The Court, therefore, held that the term and that as Lecember 25th must be considered a whole day, service on that day was a day's notice, and that of the Legislature, a given number of days are allowed to do an act, or when an act may be done within a number of days, the day on which the rule is taken or the decision made is excluded. The decision in the landlord and tenant case, however, de-

The Bedford Gazette, a Democratic news paper, heads its leading editorial last week from the vicinity of Tyrone, entered a as follows: "A Batch of Lies." It's very bar-room in this place on Saturday last, and while in an intoxicated con-The other day the Pacific Express going dition, commenced tantalizing another young man named John Smearman, who is the bar-tender. The latter, track in the Lewissown Narrows, injuring from what we can learn, left him and went to another part of the room, when West becoming very disorderly, Smearman ordered him out, but refusing to do so, the latter struck him on the head with a club or poker, and caused the blood to flow freely, and probably injuring his brain. The young man is in a precarious condi-

> Accidents .- On Saturday the 12th inst., Mr. Oliver Hollingshead, a brake-man on the H. & B. T. R. R, whilst engaged in coupling cars at Summit Station, had his right hand mashed to to amputate the third finger. The balance of the hand may be saved by careful attention.
>
> -William Artley, employee of the Huntingdon Manufacturing Company,

bad his little finger cut off by a saw on Monday last.

—A man, Jas. Adams, from Hollidayburg, had three fingers on his right hand crushed between two cars at the

The following is one of the hints to those who desire to attend Anna Dickinson's lecture in Bellefonte on the 28th inst.: "That seats will be set apart for colored folks, so that neither race will be disgusted by too are so mean that they would not attend a close proximity to the other." Such hint,

Four 38, G. A. E., meets every Fiday building.

Arrapacho Trice, No. 68, 1. 0. of R. M. meets every Thursday evening, third floor, Leister's building.

Four 38, G. A. E. meets every Fiday would be right. After adjournment, your correspondent, with others, exating the without seats? or in permitting those without your correspondent, with others, examined "Webster," but could not find get a great many little duties quite allied to that benevolence which the No Christian man gospol inculcates. No Christian man week; we have the prefix tri with va- has a right to make another unhappy, or even to annoy him, through self in dulgence, carelessness, or selfish devothose containing musk, are disagree alile to most persons, and to some positively distressing, and ought therefore to be avoided when going into a lemma. Will you, or some of your crowded assembly. Whispering in readers, enlighten us, or must we say church, during service, is an affront readers, enlighten us, or must we say church, during sorvice, is an affront three times a year? Is there no one to politeness. Coughing can be avoid ed, in a great degree, by taking a few precdutionary measures; and in al cases when it is a man's duty to siep in church, it his duty also to snore with the soft-pedal down. Since every one likes to see the minister, each one should take some thought that be may obstruct the sight of those behind him as little as possible. Many churches

> merating the sins which men are prone A GOOD MOTHER -Sometimes one bears it said of a good wife and mother that "she's a regular home body. The phrase issimple, but what a world of ennobling qualities it indicates, and what a world of frivolities it excludes. The matronly home body is indeed Heaven's best gift to man." Dashing adies, whose mission it is to set the fashions, won't you look in upon your gen tle sister as she sits in her well or dered nursery making the children happy with her presence? Note how she adjusts their little difficulties, and admonishes, encourages, instructs, or amuses them, as the case may require. Do you think any nursemaid could produce such harmony in that little circle? Is she not an enchantress?-Verily, yes, and her charms are 'love stronger than death," for those sweet young faces, where you may see her smiles and frowns (though she seldom

ROSADALIS The Great American Health Restorer, parifies the blood and curve, Schoulial, Syphilis, Skin Discases, Abendinatism, Pheases of Women and all Chrome Affections of the Blood, Liver and Kidneys. Recommended by the Medical Faculty and thousand of our best citizens.

Read the testimony of Physici us an 1 patients who have used Rosadalis son! for our Rosadalis Guide to Health or Almanas for this year, which we publish for gratuit as distribution; it will give you much valuable inform tion,

Dr. R. W. Caur, of Baltimone says:
I take pleasure in recommending your Rosadalisa's a very powerlut alterative. I have seen it used in two cases with happy results—one in case of secondary syphilis, in which the patient prenounced himself cured after having taken have lottless of your medicine. The other is a case of secondary in medicine. The other is a case of seroulas of long standing, which is rapidly impraving under its use, and the indications are that the patient will soon recover. I have carefully examined the formula by which your (Rosadalis ande, and find it an excellent compound of all atterative inguillents.

Dr. Spaks, of Nicholastille, Ky., says he has used Rosadalis in cases of seroulia and secondary Syphilis with satisfactory results—as a cleaner of the blood I know no better remedy.

San usel G. McFadden, Murfreeboro' Tennessee, says:

I have used seyen bottles of Rosadalis, and an
