Cheap Wall Paper at Lewis' Book Store. Incendiaries have again been at their diabolical work in Altoona.

The recent rains have made plants show their shoots.

The Tyrone Bank building was slightly damaged by fire last week. The Broad Top and Penna. schedules have been changed. See advertisements.

Nearly all our housekeepers are afflicted this borough for the next term: with the house cleaning mania. The doctors say it requires plenty of water and good weather to insure their speedy recovery. We

are glad they have both. Another unknown man was killed at Bixler's Gap by the cars one day last week .--This Gap is located between Mifflin and Lewistown, and we would caution wayfarers to look out for the locomotive at that point, un-

The passion for dress, about which we hear so much now, is nothing new. An old satirist thus lampoons the ladies of his day: "What is the reason-can you guess-
