NERVOUS, AND DEBILITATE whose surperings have been protracted

FROM HIDDEN CAUSES, AND WHOSE CASES REQUIRE PROMPT TREATMENT. TORENDER EXISTENCE DESIRABLE Dried Beef.

> If you are suffering, or have suffered, from involun ry discharges, what effect does it produce upon your pneral health? Do you feel weak, debilitated, easily red! Does a little extra exertion produce palpa tation the heart? Does your liver, or urine organs, or you els constipated? Do you have spells of fainting, or ishes of blood to the head ! Is your memory impair your mind constantly dwelling on this subject? Do

ou feel dull, listless, moping, tired of company, of life? you, wish to be left alone, to get away from everydy ? Does any little thing make you start or jump ? is your sleep broken or restless? Is the lustro of your PHE DODGE eye as bright? Do you enjoy yourself in society as well? on feel as much confidence in yourself? Are your spir ts dull and flagging, given to fits of melancholy? If so lo not lay it to your liver or dyspensia. Have you rest ess nights? Your back weak, your knees weak, and we but little appetite, and you attribute this to dy epsia or liver complaint?

Now, reader, self abuse, venereal diseases badly cured and sexual excesses, are all capable of producing akness of the generative organs. : . The organs of genration, when in perfect health, make the man. Did u ever think that those bold, defiant, energetic, pers ering, successful business men are always those who gans are in perfect health? You never hear such me mplain of being melancholy, of pervousness, of palpit on of the heart. They are never afraid they canno feed in business; they don't become sad and discour ged , they are always polite and pleasant in company o lies, and look you and them right in the face no your downcast looks or any other meanness abo hem. I do not mean those who keep the organs infla ted by running to excess. These will not only rul

How many men, from badly cured diseases, from the fects of self abuse and excesses, have brought about that state of weakness in these organs that has reduce the general system so much as to induce almost eve nicide, and almost every form of disease humanity seir te-and the real cause of the trouble scarcely eve spected, and have doctored for all but the right one.
