The Congressional Question.

At the request of Hon. A. A. Barker, we publish his reply to an editorial article in the Johnstown Tribune, refused publication in that paper. As the nomination for Congress is not yet made, we think it perfectly proper that Mr. Barker should be heard: EBENSBURG, MAY 24th, 1870.

To the Editors of the Huntingdon Globe: I desire, through the columns of your pa-per, to make a raply to cortain unfounded allegations contained in an editorial article in ted States Marshal Foster and taken the Johnstown Tribine of the 13th inst., in back to St. Albans, where he was are ously in political affairs, while the most of them have exemplified the teachings of the institution in becoming good citizens, and have received their bas yet been discovered to reflect against the wisdem of the founder in establishing for the good of the month of the founder in establishing for the good of the nation, the Girard College; nor can consider the county of the subsequent effort to remove the county of the boned that the day is not distant when capitalists will look to the welfare of the rising generation of orphans, and provide more institutions for their moral and intellectual training. The name of Stephen Girard is many firm the positive pledge made in the rising generation of orphans, and provide more institutions for their moral and intellectual training. The name of Stephen Girard is many firm the results of Southern Cambria four years ago, and acting on the positive pledge made there are there are not that are not the road from Hunting or the results of the Fenians.

The Canadians, consisting of 500 men of the Sixty ninth regiment, under General Bogot, and 300 volunteers, marched down the road from Hunting. The name of Stephen Girard is

"No prominent disorganizer, or 'fast and loose' politician shall ever again receive our (Journal & American) support for any position, should they by any means be foisted on the Convenion."

That's a plain declaration of war against what might be the action of the county Convention: Itis an open the County Convention: Itis an open the County Convention: Itis an open and organs and politicians in the Dis-

is it true, as the Tribune asserts, that it was the treateningly amounced that he (Morrell, should not receive the endorsement of his county because of his identification with the local interests of Johnstown. No such threat was ever thought of or made by me, nor was it ever authorized to be made by any min who supported me. It is purely an after thought and is intended to bolster up Mr. Morrell and his friends in what they know and feel to have been a base violation of plighted faith. Although it is true, as the Tribune declares, that Mr. Morrell took no part personally in the contest, the old max. the "party organ" will not support if should" be honored, for while they aleep the sleep that knows no waking, peace.
