On the Wings.
The Lewistown jail is being renovated.
The furnace at Hopewell turns out forty tons of charcoal in a week.
Two snakes, eleven feet long, were killed near Rays Hill, Bedford county, last week.
The new Methodist church at Bedford is to be 75 feet by 45 feet, and is to cost about \$12,000.
Iron ore has been discovered in the vicinity of Burnt Cabins, near the lower end of this county.
Bellefonte and Altoona were inundated by recent rains, and considerable damage done.
A Mrs. Phillips was drowned near Waynesburg while in the heroic act of saving her son from drowning.
It took seventeen men and a dozen dogs to butcher a 105 pound bear, in Fayette county, the other week.
The Bedford Inquirer met with the unhappy luck of reducing one of its forms into "it" the other week.
The Methodist school at Burnt Cabins' Sabbath school scholars at Mr. Caban's Grove on Thursday a week.
The people of Bedford, to some extent, have dabbled in the oil enterprise. One man has an income of thousands per month.
A planing mill belonging to A. A. Barker, in Ebensburg, was burned to the ground recently. Loss \$8,000—insurance \$4,000.
The family of Mr. W. L. Gordon, of Howard, Center county, partook of something at dinner of the nature of poison, and were all made sick.
The Sabbath School Convention which met at Burnt Cabins last week, was largely represented by delegates from all parts of the State.
It is expected that a Sabbath School Convention of representatives of all the schools in this county, will be held in this place at an early day.
M. L. Littlefield has withdrawn from the Juniata Sentinel, and is succeeded by B. E. Schaeffer. Mr. S. has our best wishes in his new relation.
A man named John Ryan, at Prospect Hill, Cambria county, was killed recently by foolishly attempting to jump on a passenger train as it was pulling out from the depot.
Mr. J. Gordon, of Ebensburg, lost a third and a portion of one of his arms by having it caught between two bits, in a planing mill. The arm was amputated.
The census-taker has revealed the surprising (to us) fact that the West Ward of our borough contains only 1640 inhabitants. The total population of the borough will not be more than 3200.
As a P. S. to last week's announcement about Grady's monkey, we learn that it committed suicide by strangling itself with a rope with which its captives had tied it. Fate!
