Congress.

From the Hollidaysburg Register.]

Hunringbon, July 6, 1870. GENTLEMEN:—I see in an article in the REGISTER on the question of our next congressman, the statement that nobody has been elected from this part of the State for a third term for more than forty years. My recollection extends back for forty-two years—to the year 1828. In that year Hon. John Scott,

ounty. In view of this state of things, will' Mr. Morrell urge his nomination for a third term? Its there no other man in the district term? Its there no other man in the district enpable of representing it? Sometime ago, I have good reasons for believing, that Mr. Morrell was considering the propriety of withdrawing his name, and this he could do

and boroughs, all, have their office holders or expectants who do the bid almost certain. We believe he is a conting of the chief disorganizers or take no active part against them. The mass of the voters deceived last year will not be deceived again by such men's they will act free from their advice no matter what position they may occupy or how near they may be to one, because they know that by at strict addies to party nominations party defeat may he prevented but he reasons that the next delegate elections in this county as their candidate and they will be strong or how near they may be prevented but he reasons the may be provented but he reasons that the next delegate elections the guerrilla Republican faction, and not complicated with the troubles in this county. It is assembly a strict addies to party nominations party defeat may he prevented but he reasons who here he is a limited term. His "sit own county. It may well satisfied with his course as a congressman, and have nothing to think in view of all the facts, he should not claim a nomination for a third term. His "sit own county. It may way connected with his course as a congressman, and have nothing to think in view of all the facts, he should not claim a nomination for a third term. His "sit own county. It may way connected with his course as a congressman, and have nothing to think in view of all the facts, he should not claim a nomination for a third term. His "sit own county. It may way connected with his course as a congressman, and have nothing to think in view of all the facts, he should not claim and others paraded the stroets. And all the facts, he should not claim and others paraded the stroets. And all the facts, he should not claim and others paraded the stroets. And all the facts, he should not claim and others paraded the stroets and the reason from their facts with his course as a congressman, and have nothing the high during the night to say against him; but I do think in view of all the facts, he should not claim and others paraded herence to party nominations party give them a controlling influence in the defeat may be prevented, but by yield the Convention. If such should be the demands of the disorganitation and the party be destroyed.

and his guerrilla friends would claim discounts and influence to sustain and uphold the great industrial interests of the country.

Andy Johnsonism lost in the fog—the Republican party in the county and district demoralized and routed for want of honest and reliable leaders.— What then?

We see that Mr. Cloyd, elected Confirm a spring near the house, and to have lived in the act of drinking from a spring near the house, and to have lived in the child, for about eight Treasurer last fall, is in town, and it is months, during which the little girl of the suffered most acute pain. Though

Mr. Morrell and this "Situation"

We call the special attention of the Republicans of this county to the fol-

most likely will be, be will work for agreed to take the throne, when Gen- is no State ticket and no U. S. Senate the advancement of Democratic measures, including free trade, during the of Portugal's sisters was married to only the local questions which he will need to urge for the benefit of his own communi

The above extract is from the Johns town "Tribune," the organ of Hon Daniel J. Morrell, and which has his name at its head for Congress; it contains the reasons of that paper for supporting Gen. James Potts, a Demowould not object, as a family man, to crat, for the legislature. Let us exdature, (which he has done,) but that per says there are no great political as King of Prussia, he would not in issues at stake, no United States Sen ator to be elected, the political look out will be the same one year bence The mix is a little too strong for French Ambassador, demanded that as now, and the election of a member Republicanism in this county. A man Prince Leopold's renunciation should of Assembly will only affect local questions. The next Legislature of Pennsylvania will be one of the mos for several generations. The State has to be redistricted for Congress, for port of party men. The Democrats and curtly sent him word that he had a lature, for like purposes, will not a-want to have a majority in the next no further communication to receive gain, after next fall, be elected for seventy years, or till ninoteen hundred Legislature to district the State to or make. One account has it that and forty, long after the present gentheir interest, and Mr. Morrell and his Count Beneditti accosted him in the eration will have pased off the stage of ged us with denouncing the Morrell friends in Cambria are willing to help garden, and the King turned his back action. We repeat that until the year them secure such power. Such its upon min, which trapology the publicanism can't be endorsed by the insult. At all events, the pretext was the State for Congress, Schators, and taken up by Napoleon, and war was declared.

Legislature with not again the State for Congress, Schators, and Members of the Legislature. Though no United States Schator will be elected. ted next winter, yet under the redistricting of the State, at that time, for Liegislative and Senatorial districts. in the conflict, although England in- will the Senators for the next seven

ing of the State for Congress, at the bune" says that there are no great cal complexion of the next Legislature, will depend, in great part, the future success of that party which stepped into the breach during the late rebellion, and saved the country, and yet that paper says there are no great political issues at stake! We dosire an honest and fair apportionment of the State for Congressmen, and Senators and Members, but that paper is

willing to trust this matter to that

is for Mr. Morrell's friends in Cambria to support a Democrat for the Legislature.

The Journal & American seems to Belleving it to be the duty of every man who either is or claims to be affaid that the Republicans of the county will not turn out at the delegate elections and convention because we will not join with Mr. Logan in issuing a call. That paper need not be unhave a gentleman for Congress free from these troubles, in Cambria, and also not connected with the unfortunate of the property of the connected with the unfortunate of the connected with the connected with the connected with the connected with the connected w of his nomination, we will have
