Dr. R. W. Carr, of Baltimore says:
I take pleasure in recommending your Rosadal-, is as a very powerful alterative. I have seen it used in two cases with happy results—one in case of secondary syphilis, in which the patient prenounced himself, cured after having taken. Hyp bottles of your medicine. The other is a case of secondar of long standing, which, is, rapidly improving under its use, and the indications are that the patient will soon recover. I have carefully examined the formula by which your Rosadalis is made, and find it an excellent compound of all siterative ingredients.
