BETTER LATE THAN NEVER. Life is like a race where some succeed, While others are beginning; 'Tis luck in some, in others speed, · That gives an early winning; But if you chance to fall behind, Ne'er slacken your endeavor ; Remember, though you are surpassed, "Tis better late than never !" And if you keep ahead, 'tis well, But never trip your neighbor 'Tis noble when you can excel By lionest, patient labor :

But if you are outstripped at last, Press on as bold as ever ; Remember, though you are surpassed, "Tis better late than never !" Ne'er labor for an idle boast, Or victory o'er another;

But while you strive your utmost.

Deal fairly with a brother; Whate'or your station, do your best, And hold your purpose over; And if you fail to do the rest. "Tis better late than never! Choose well the path in which you run, Succeed by noble daring ; Then though the last, when once 'tis won Your crown is worth the wearing; Then never frot if left behind,

Nor slacken your endeavor, But ever keep this truth in mind, "Tis better late than never!"
