THE SIMOON OF FIRE !

THE GREAT WEST AFLAME !!

DETROIT, Oct. 12 .- News has just be received that the largest portion of the city of Manistee, Michigan, has been decity of Manistee, Michigan, has been de-stroyed by fire. Manistee is on the east coast of Lake Michigan, a place of four those in London in 962 and 1087, in thousand inhabitants, and one of the great. Stroyed by fire. State. Stroyed by fire, State, State, State, State, State and State est hunder producing towns in the State. There is no telegraph station within thirty miles of the town. Over \$1,000,000 the Loss. Curcago, Oct. 12.—Information has just been received here that a fire broke

just been received here that a fire broke out in the town of Manistee, Michigan, at crowd of people who were standing o bridge. Over 3,000 of the unfort 10 o'clock on Sunday night, and raged until 5 o'clock Monday morning, destroy-ing two hundred buildings, six large mills, and a vessel lying at the dock. Half the ereatures, in attempting to escape the de-vouring element by jumping into boats and barges, were drowned. By the fire in London, September 26th, A. D. 1666, tire town is burned. The loss estimated \$1,000,000. Michigan People Fleeing to Canada. KINCARDINE, ONTARIO, Oct. 12.-A entire town is burned. The loss estimated at \$1,000.000.

KINCARDINE, ONTARIO, Oct. 12.—A boat containing two men, a woman and nine children, and the body of a child who had died from exhaustion, arrived here yesterday from Sand Branch, Michigan, aving left there on Monday to escape the fires raging in the neighborhood. The high winds and dense smoke prevented their resching shore until they made this port. Having been without food all the small in arca, except in July 21st, 1794 time, they arrived destitute and completely exhausted. Their wants have been sup-pied. *An Appeal to the United States Govern-ment for Help.*

ment for Help. WASHINGTON, October 12.—Secretary Boutwell this morning received the following telegram : PORT HURON, MICH., Oct. 12.-The

The stories of the great fires in New York city in the last century are interest-ing. Those who saw these great conflagra-tions are now slumbering in the grave, but many of their children live to repeat the oft told story of their childhood. These fires occurred when New York was FORT HURON, MICH., Oct. 12.—The villages and houses along the coast, from the foot of Lake Huron around into Sagi-naw Bay, are exposed to dreadful confla-grations by fires in the woods. Hundreds of people have been burned out and are
