A RIVER BOTTOM FARM AT PRIVATE SALE.

The subscriber, on account of ill health in his family, will sell his farm, situated in Porter township, adjoining Barree Station, on the Pennsylvania Central Railroad, at private sale.

The farm consists of about one hundred acres of farming land in the highest state of cultivation, about fifty-five hundred bushels of lime having been used upon it within the last four years. The buildings comprise a good two-story frame dwelling house, a bank barn, wash-house and other necessary outbuildings. There is a very fine young orchard of choice fruit upon it, also a well of never-failing water near the door. The property is a very desirable one ewing to its proximity to the railroad, churches and schools.

Terms: One third in hand on the first of April next and the balance in two equal annual payments to be secured by judgments.

PRIVATE RESIDENCE FOR SALE.

Having gone into business at this place I propose to sell my private residence at Bedford, Pennsylvania, at private residence at Bedford, Pennsylvania, at prior me to give a description of it to those who have not seen it, and who desire to purchase a neat and complete residence I would say go and examine it. The house was entirely overhauled and renovated but a year or two ago. It is located upon a full lot of ground, 60 feet by 240, on East Pitt street, and thecorater of an alley leading to the Steam Mill, which makes it one of the most public places in the town in a business point of view. The lot is under drained by numerous drains, and is second to none in the place. It has produced all the garden vegetables used by my family for years. In addition there is a flower garden and a considerable quantity of excellent fruit. There is a perpetual insurance upon the house. Address me at Huntingdon or Bedford, Pa.
