the hillside.

An nearts became ignet as we ascend: the other bore to same face I and often ing an abiding place. When it cume to leave-taking "Bill" was missing, the others started on with I rushed to the door. I knelt down by their teams, and I staid by his until sun-the other bore to be the same face I and often dead, but a low groun came from Bill, and space.

their teams, and I staid by his until sundown. Any number of good-by's and kindly messages were left with me for him.
One woman gave me a little package saying : "He was so kind to Willie when he was sick, and his hand made that precious little grave on the monntains." I thought, to know the full value of the gift, Bill should have received it, as I did, wet with the mother's tears.
When he came back, we were alone on the holp of some ment the Spaniard brought, the When he came back, we were alone on the wound dangerous, but not necessarily mortal.

mortal. He asked, "why didn't you go on with I watched over him and saved him in It is asked, why didn't you go on with asked, why didn't you go on with asked, why didn't you go on arth, which is not any of your days on arth, which is not to leave you alone, after all you have done to but by my care he came slowly back and to leave you alone, after all you have done to with you, if you will be manifest.—How here the mines and camps as "The Big Elder."

-Scribner's Monthly for October.

An any more talk. I guess I have lost yright now to the title the boys gave after the chamber was finished to find on As soon as he was able, we went back

came the great, invisible, loving presence which stands human as ever, though un-I rushed to the door. I knett down by him and spoke. "I did not do it," said he, "but I meant to." I asked him no questions, only if he was

As I dwelt upon the wondrous love and compassion, he asked earnestly, "Why has my life been so dark and loveless ?"

Ah, how many aching hearts have asked that, as they look back over dwarfed, thwarted lives. But there came a time when his ques-onings ceased, and he changed his life-

the fittle spot which had caused them so much uncashness was forgotten in their mutual happiness and prosperity. The Czarina of Russia is a tall, graceful woman, like the Queen of Denmark, terribly de-voted to the Greek Church, and very little A gentleman employed a mason to do some work for him, and among other things, to "thin whiten" the wall of one of his chambers. This thin whitening is attention to society. But it is true that she, with all her orthodox scruples, received Madame Catacazy.

BACK TO WASHINGTON AS MINISTER. almost colorless until dried. The gentle In 1868 Mr. Constantine de Catacazy was appointed by Czar Alexander as Envy Was appointed by 024 Minister Plenipotentia-ry to the United States. Accompained by his wife, he arrived on the Ville de Paris, and proceeded at once to Washington, re-lieving Baron Stockl. He was received heving Baron Stocki. He was received everywhere in official circles with great friendship, his beautiful wife sharing in all the honors of her husband. I myself have seen them together at President Johnson's and also at Secretary Seward's.

bindiance to hole of the drawer without once thinking that any one would ever know it.
The "thin whitening," which happened to be on his hands, did not show at first, and he probably had no idea that twelve hours' drying would reveal his wickedness.
Children, beware of evil thoughts and deeds; they all leave their *finger marks*, which will one day be revealed. If you disobey your parents, or tell a falsehoed, or take what is not your own, you make bad stains on your other therese marks.
Is with all sin. It defiles the soul. It betrays those who engage in it, by the sum arks it makes on them. These marks to the fair representative of the nation marks it makes on them. These marks to the fair representative of the nation which stood by the Government during a terrible war, and carried our beloved Farent in hew should not be seen during sagut in her arms from St. Petersburg to Moscow-drinking the health -drinking the health of our sa Moscow—drinking the health or our saved Republic in every town in Russia.
