Cautiously they approached the opening into which the bees were supposed to find ingress and egress, and presuming that they were forwarded to the officers of the School Boards that grant teachers either the whole or a part of the time to attend.

Music.

At last their continued efforts were successful, and down came the huge tree with a mighty crash, crushing its limbs and trunk—the work of ages—and making the very earth to shake. Cautiously they approached the opening into which the bees were supposed to find ingress and egress, and presuming that they were successful, and down came the huge tree with a mighty crash, crushing its limbs and trunk—the work of ages—and making the very earth to shake. Cautiously they approached the opening into which the bees were supposed to find ingress and egress, and presuming that they were affects of the fall, the hole was "plugged." A consultation was then held the toatend to it. We start the subscription by the teachers will be start it at once if we had the time to attend to it. We start the subscription by the teachers will be start it at once if we had the time to attend to it. We start the subscription by the few for one dollar.

The above, from the Globe, is in the proper view. We are assured that there will be new and ingress difficulty in the way, and that the town clock is about to become a fixed fact. Subscribe subscription by the beat each town clock is about to become a fixed fact. Subscribe subscription that grant teachers either the whole or a part to regard to the best method of cutting them out. A hole was resolved upon, and at it they went, and in a few minutes the buzzing inside was frightful. At last a large cavity was made,

MIRACULOUS ESCAPE.—Last Sunday morning about three o'clock, the Pacific express, on its castern trip near New Florence, demolished three cars, one of them a passenentered, on Saturday night, and a entertain members of the Institute at \$1 per demolished three cars, one of them a passendemolished three cars, one of them a passen day, and Messrs. Howard & Sheibley, of the Morrison House at \$1.25 per day.

DIRECTORS DAY.

Thursday will be Directors day.

The following topics will be discussed:

1st. How can our common schools be made more efficient.

All kinds of supplies will be acceptable, such as bed clothing, wearing apparel, groceries, potatoes, and all kinds of vegetables. Our farmers now have an opportunity to assist their suffering brethren. Contributions can be left at the residence of Col. Wm. Dorris, who will see that they are promptly forwarded where more efficient.

All kinds of supplies will be acceptable, such as bed clothing, wearing apparel, groceries, potatoes, and all kinds of vegetables. Our farmers now have an opportunity to assist their suffering brethren. Contributions can be left at the residence of Col. Wm. Dorris, who will see that they are promptly forwarded where most needed.

VALUABLE PROPERTY AT PRIVATION MARKETS. lat. How can our common schools be made more efficient.

2d. Should school directors be paid for we filled the many Directors will be neepeper, and \$16,000 stolen from we mights ago, by a Harrisburg thief, ior devil says there is only one good for the endearments of a sister, and a endearments of a sister, and a endearments of a sister, and a endearment of the typer's losses, should open up this the some renowned scientist like Prof.

all and exam-

VALUABLE PROPERTY AT PRIVATE SALE.

The valuable property, situate in Barree township, Huntingdon county, formerly known as
"Couch's Mills" but lately as "Comprobat Mills,"
will be sold at private sale. This is one of the
most desirable stands in the county, the custom
work being sufficiently large to keep the mill busy,
while the water power is unsurpassed in the State.
The improvements consist of a Griat Mill. Saw
Mill, Store Room, two Dwelling Houses, Stable,
and all other necessary outbuildings. There are
also 40 acres of timber land belonging to this property, but if purchasery outbuildings. There are
also 40 acres of timber land belonging to this property, but if purchasers desire it, concept cleared
land can be purchased with it for farming purposes.
If not sold by the 26th of October, the property
will be leased for a term of years,
