the present time there are not less than a thousand silk looms in New Jersey alone; was not at any time in danger, but that the court bulletins were exaggerated in General Ketchum was a popular officer in the present time there are not less than a thousand silk looms in New Jersey alone; and in other sections of the country not less than three thousand more. In Patterson, N. J., alone, there are thirty establishments for manu acturing silk fabrics of almost every variety. One manufactory in Hartford, Conn., is turning out silk goods to the value of nearly three million dollars per annum. A French Colony in Franklin country, Kanssa, are manufacturing superior silk velvets and ribbons, which are pronounced by St. Louis dealers equal to the best imported. M. Boissier, the Superintendent, was a manufacture and exporter of silks in France. Our tariff checked his exports to this country; so after two careful examinations of the Western States in person, he returned to the states in person, he returned to the country. He was open fifty years of age, hale, hearty, and physically powerful. Both the victim and the accused moved in the best circles of society, and the relations and friends are naturally in the greatest distress, and the relations and friends are naturally in the greatest distress, and the relations and friends are naturally in the greatest distress, and the relations and friends are naturally in the greatest distress, and the relations and friends are naturally in the greatest distress, and the relations and friends are naturally in the greatest distress, and the relations and precipied an accountry. New York, and in the deep country of the royal patient is due to his youth and great physical strength. As it is, the impossible that the recovery of the royal patient is due to his post hand great physical strength. As it is, the impossible that the recovery of the royal patient is due to his post hand great physical strength.
