With all these things the Commercial indimension of the continent, that are the continent, that continued as a Business Paper, at the centre of the great est manufacturing district on the continent, has constantly in view whatever of interest readers may reasonably expect to see in moors, MANIPACTURING INTELLIGENCE and GENERAL NEWS, collected at home and from abroad.

To our patrons we have only words of cheer, With some of our readraw we have only words of cheer. With some of our readraw have have only words of these relations for many years to come. We fell proud in the fact that the Commercial yields an influence second to no fact that the Commercial yields an influence second to not fact that the Commercial yields an influence second to not find the second in the fact that the Commercial yields an influence second to not find the second in the fact that the Commercial yields and influence second to not find the second in the fact that the counting-house, in a circle of hundreds of miles, embracing nearly the whole of Pennsylvania, much of Ohio, west Virginia and States beyond, it is the favorite in the counting-house, the office, the store and the family, especially of business and cultivated classes. To hold this place will be our constant effect.
