THE DIFFERENCE.

In England, under a ruinous system of free trade, the workingman rarely rises above a perpetual struggle for existence. and the prospect of an almshouse in old age. In the United States under protection, the workingman, if prudent, almost invariably becomes the proprietor, alone or never have been made; but, taving been den, and other British statesmen. The included in the American "Case," its apparition of immense piles of bags of end leaves his family a competence.

Take three illustrations, one from Western experience, another from the Middle tration with lasting disgrace. This is the nitude and amount, as some of their own States, and the third from New England, "The growth of woolen factories in the West," says an observing writer in Wis-

Wisconsin had fifteen woolen factories in 1860, while their work and the result is officially before and its claims, and spoke disrespectfully of in this group of Western States there are no less than six hundred." And note during the week in the controversy be"These factories are owned largely by men tween England and the United States on fore the Tribunal at Geneva for adjudicaers." In England such a result is simply graph, (May 10.) from the British Gov impossible. The weekly receipts are insufficient to meet the expenses of a bare existence, and the surplus dollar at the end of the week is a thing unknown. Take another illustration.

An obscure individual by the name of Mc-Cleur is reported as authority for the statement that Minister Curris forwarded his resignation "fully three months ago." If this betwee the true there must be something wrong with the mails between St. Petersburg and Washington.

At the instance of Hon. L. Meyers, Secretary Robeson has had the examination of designe Island made with a view to asking for an ad-Island made with a view to asking for an addittonal appropriation to carry on the work,
and he will accordingly send to the. House a
request tor half a million of dollars, and ask
the committee to insert in it the Omnibus bill.

Besident, M. S., July 18, 1860.

Dr. Rupway:—I have bad Owarian Tamore in the overries and lowed. All the Detors said "there was no help
for it." I tried every thing that was reccommended; but
nothing helped me. I saw your Reselvent, and thought
I would try it; but had no faith in it, because I had suffered for twelve years. I low six bottles of the Reselfered lor twelve years. How six bottles of the Reselyour Ready Relief; and there is not a sign of a tumor to
be seen or felt, and I feel better, smarter, and happier than
I have for twelve years. The worst tumor was in the
left side of the bowles, over the groin. I write this to
you for the benefit of others. You can publish this If
