wide-awake business men advertise in the JOURNAL. The "ties" which bind Mapelton to the rail-

road are good.

The rain, on Saturday, drove the corner statuary under cover. The laborers on the union depot struck for

higher wages one day last week. Attention is called to valuable property w offer for sale to-day on Hill and Mifflin Sts. We did not receive Harper or Young Folks for May. Are other printing offices sim larly robbed ?

J. S. Morrison, Esq., of the firm of Morrison, are & Co., has been appointed ticket agent

at Koaring Spring. The great drought, at Mapleton, is very hard on the suckers. The only strong drinks used at that point, at present, are imported. A store keeper tells us that within the short space of one hour he was asked for Dolly War-den, Dolly Werden and Dolly Verdent calico. Prof. H. W. Fisher has been elected Super-intendent of Common Schools of Bedford county again. He is the right man in the right place.

Alfred Hildebrand, formerly of this place, latterly of Philadelphia, was reported dead on last Monday morning. We did not hear the cause of death.

The fellow who was hustled into the express wagon and hauled off to jail, one day last week, has a poor opinion of the police and C. O. D. business.

Mr. Place, residing upon the rising ground above the old nursery, had one of his hands badly mutilated, a few days ago, while work-ing a piece of machinery.

at-Large. What a relief other aspirants will feel at this announcement. By great exercions of the citizens Broad Top City was saved from a severe confingration, during the early part of last week. The sur rounding country was all on fire. Engineers are running a line from Mapleton to East Broad Top. The distancefrom Maple-ton is sail to be 14 1-10 miles while it is 34 miles by the line from Mt. Union. The post office heretofore called Donation and kept at Compropst Mills has been, or is about to be removed to Donation, and a new office established at Compropsts with Henry Compropst as postmaster.
