has ever known. Hen. S. S. Blair, of Hollidaysburg, beat Hon. B. L. Hewit for Congress, by a vote of 65 to 12, in Blair county.

The Blair County Republican Con-Esq., of Hollidaysburg, for State Senator. Then he took Vicksburg, and its 30,000

asm at the Philadelphia Convention was he at last took command of the whole army. the people's reply to Sumner's philippic on One would think that his ambition for the President.

10. Hon. A. A. Barker, of Ebensburg, Petersburg, then Richmond, and wound was recommended for Congress by the Re- up by taking General Lee and the entire publican County Convention of Cambria county, last week.

The Congressional question is becoming interesting in this district. It may take it again. be made very lively between this and the 13th of August next.

The reduction of the public debt during May was over four and a half mil- sharpen the point of his attack on Grant? lions, and not seven millions as we inadvertantly reported it last week.

Gen. Harry White, the much-nom inated man, we learn from the Philadelphia Press and the Sunday Dawn, has withdrawn as a candidate for Congressman-atlarge.

Oregon went for the Republicans greatest takers of the century. clean last week. Electing the entire Re-

SUMNER AND STANTON. THE GREAT CONVENTION. We have no desire to discredit Mr. The fifth national convention of the Re mner's statement of his interview with publican party closed its labors by nomi-Mr. Stanton The dying War Minister nating the two strongest Republicans in may have said that "General Grant could the country for President and Vice Presnever govern the country," and that "he ident upon a platform, the wisest, best and never referred to Grant by name in his campaign speeches." If he did make this statement to Mr. Sumner, the best friend of the Senator must admit that the last paragraph was incorrect. The short hand that he did refer to him, and urged the that he did refer to him, and urged the it matters little whether Mr. Stanton di or did not say that "General Grant could never govern the country." He has governed it, and this one fact would cause Mr. Stanton, if he were alive, to admit the the new mittlewent it matters in the intervention to did or did not say that "General Grant could never govern the country." He has governed it, and this one fact would cause Mr. Stanton, if he were alive, to admit the the new mittlewent it matters in the intervention to descention. The short hand solution to approve the country." He has of their delegations solid for Grant, as Mr. Stanton, if he were alive, to admit the the new mittlewent in the short hand the solut cause of their delegations solid for Grant, as the clear, crisp sentences of the delegation the the new mittlewent in the the new mittlewent in the short hand the solut cause of their delegations solid for Grant, as the clear, crisp sentences of the delegation the the new mittlewent in the short of the short hand the short of the short of the short of the short the short of the short of the short of the short the short of the short of the short of the short of the short the short of t never referred to Grant by name in his broadest that has ever been presented by paragraph was incorrect. The short hand ple and the party had already made it. people to vote for him, because of his in-tegrity and fitness for office. with which it was done was in itself worthy of remembrance. The enthusiasm with did or did not say that "General Grant could never govern the country." He has State wheeled into line and cast the votes

governed it, and this one fact would cause Mr. Stanton, if he were alive, to admit that he was mistaken in his judgment.— Whether he has governed it as well as Mr. Summer or Mr. Greeley could, must be decided by those gentlemen and their "liberal" friends. Therefore the American people have no cause to penetrate the se-crets of the grave. They will leave this for Mr. Summer and his friends. They are willing to admit that the Massachu-setts Senator told the truth, but the truth for Mr. Summer and his friends. They are willing to admit that the Massachu-setts Senator told the truth; but the truth proves nothing, except that Mr. Stanton made a prophetic statement which time and events have proven groundless. Gen. Grant has governed the country as well as it was ever governed in the past. He has shown to the nation a rare combination of wisdom, integrity, and patriotism. For Judge ULYSSES MERCUR, shown to the nation a rare combination of ing within the hall was caught up by the wisdom, integrity, and patriotism. For vast crowd that surged around the build-

these traits he has been honored, and for ing, and the loyal voice of Philadelphia these traits he will be called again to rule went out in one long shout of approval. over the nation. - Few of Mr. Sumner's warmest admi-

rers will be found, who will justify his publishing to the world a statement made in strictest confidence. Were the author alive the abuse of confidence would be less marked, for then the interpretation intended could be placed upon it by the one who uttered it. But the grave cannot speak, and it is this ungenerous advantage taken by Mr. Sumner that makes his be-

that. His gift-taking belongs to another

period. He accepted a few gifts while General of the army. In fact his propen sity for taking showed itself soon after he-

entered the service: He took Fort Henry; and not satisfied with this, he took Fort Donaldson, and every thing belonging to vention declared in favor of John Lemon, the rebels that he could get his hands on. The extraordinary Grant enthusi- defenders, and still hungry for more gifts, gift taking would have rested for a while. But no! he kept on taking. He took

rebel army. Then he took the Presidency, and without asking whether it will please Greeley and the Democracy, he proposes to

How is it that Sumner has overlooked these gifts in his fierce arraignment of the England, France and Germany. President? Has he failed to find in Roman or Grecian history a parallel taker, to

If so, let him issue a second edition, revis ed and corrected up to date. A sense of duty should impel him to correct historical facts, with the charges he has made. Give the President credit for all that he has taken, and the people will acknowledge. what they already believe that Grant,

while General of the army, was one of the

WASHINGTON, D. C., June 10, 1872. THE VERDICT OF THE PEOPLE.

faith, appeals to its historyand announce its position upon questions before th its positi country. First. During eleven years of supremacy it ha

First. During eleven years of supremacy it has accepted will grand courage the solemn duties o the time. It suppressed a gigantic rebellior emaneipated four millions of slaves, decreed equa the citizenship of all, and established universa suffrage. In exhibition of unparralled magma initivit iteriminally published no man for politice offenses, and warmly welcomed all who prove their loyaitty by obeying the laws and dealin justly with their neighbors. It has stendily do ereased with a firm hand the resultant discords o the great war, and initiated a wise policy toward he Indians. The Pacific Raihroad and simila vast enterprises have been generally aided an successfully conducted, the public lands freel given to actual settlers, immigration protected an encouraged, and a full acknowledgement of nat uralized eitizens' rights secured from Europea provided, repudiation frowned down, the nationary buy dens, and new bonds negotiated at lower rate the revenesshave been carefully collected and hon estly applied : despite the annual large reductions os the rate of tratington house body.

Wanning of mates and manufacterines that a sum of analytic result of the sum of the su

Author: Col. John W. Foster, Chairman of the Indiana State Com-

and sailors whose valor saved the Union; their pensions are a sacred debt of the nation, and the widows, and orphans of those who died for their country are entitled to the care of a generous and grateful people. We favor such additional legismittee, at the Convention, Philaidelphia: Accept for yoursell and delegation my sincerest grati-tude for the gallant contest. I support the ticket cheer-fully. Men set nothing-principles everything, Nohmay laws, like the liberty from which it springs, is universally acknowledged, and the citizensity of the humblest of our millions becomes as sure protection a saint outringe as had Roman estimate More and a support of the set of the se grateful people. We have such additional legis lation as will extend the government to all our soldiers and sailors who were honorably discharg ed, and who in the line of duty became disabled without regard to length of service or cause o

TAX AND TARIFF BILL. The Tax and Tariff Bill has passed through both Houses of Congress, and has received the signature of the President. It reduces the taxes and duties about \$55, 000,000 per annum. All internal revenue taxes are abolished except those collected Ninth. The doctrine of Great Britain and other Ninth. The doctrine of Grent Britain and other European powers concerning alleginace-once a subject always a subject-having at last through the efforts of the Republican party becan abandoned and the American. idea of an individual's right to transfer his allegiance having been accented by European nations, it is the duty of our government to cuard with jealous care the rights of adonted ei-trees against the assumption of unauthorized claims by former governments, and we urge continual and careful encouragement and protection to voinntary immigration.

by former governments, and we urge continuit and careful encouragement and protection to voluntary immigration. Tenth. The franking privilege ought to be abol-ished, and the way prepared for a speedy reduction in the rates of postage. Elecenth. Among the questions which press for attention is that which concerns the relations of capital and labor, and the Republican party recog-nize the duty of so changing legislation as to afford full p otection and the amplest field for capital, and for labor, the creator of capital, the largest oppor-tunities and a just share of the matnal profits of these two great servants of civilization. Teel/th. We hold that Congress and the Presi-dent have only fulfilled an imperative duty in their by stamps, and stamps are abolished ex-cept on tobacco, segars, spirits and beer, and bank checks and drafts. That part of the new law which refers to the inter-nal revenue taxes will go into operation
