SURPRISING. It is really surprising how rapidly Dr. Wengert's Family Medicines are becoming popular all over the country. Thousands are daily praising them for their many virtues and say they would not be without them in their families. To you who have never tested them, we would say if you have Fever and Ague you cannot do better than use

DR. WENGERT'S MOUNTAIN HERB BITTERS. For Liver Complaints, Scrofulous Affections and Diseases arising from Impurities of the Blood, use THE INDIAN VEGETABLE Restorative and Blood Purifier.

Dr. Wengert's Magic Balm has no superior for the speedy and effectual cure of Coughs, Colds, Bronchitis and Diseases of the Re-spiratory Organs. THE SAMSON OIL ced only to be tried to convince the most incredous that it will cure Nurrous Headache, Chole Morbus, Colic, Cramps, Sprains, Bruises, &c.

Dr. Wengert's Hepatica Pills are an Alternative Cathartic, and can be used for an ordinary Cathartic or Physic, and should al-ways be used in connection with the MOUNTAIN HERB BITTERS in severe cases of Fever and Ague. We know that there is continually being paimed upon the people some wonderful prepara-tion that is without merit or virtue, therefore the people lose confidence in preparations that do pos-sess virtue. Yet it would certainly be unwise and unreasenable to cendemn all the various remedies unreasonable to condemn all the various remedies offered to the public because some are disgraceful humbugs. All we ask is for you to give Dr. Wengert's Family Medicines a fair trial, and if they are not deserving of your praise and confidence, then denounce them in your strongest terms.
