CASTORIA—a substitute for Castor Oil—is a physic which does not distress or gripe, but is sure to operate when all other remedies have failed. You may confidently rely upon the Castoria in Stomach Ache, Constipation, Flatulency, Croup, Worms, Piles or deranged Liver. It contains neither Minerals, Morphine, Opium nor Alcohol, but is purely a vegetable preparation, perfectly harmless, and above all, pleasant to take. The Castoria soothes and quiets the system, and produces natural sleep. It is a wonderful thing to assimilate the food of children and prevent them from crying. Mr. Montague had been for about twenty years a consistent member of the Presbyterian church, and for several years previous to his death, had discharged, faithfully and acceptably, the duties of ruling elder in that church. As a citizen, he was just and eandid, as a friend, generous and faithful, and as a christian, humble, but steadfast in his profession, intelligent, but retiring in his disposition, a wise, but unobtrasive counsellor, his loss is deeply felt and deplored by the community in which he lived. He leaves a wife and five children to mourn his irreparable loss.
